Plan of Study – 2014-2016

Advanced Graduate Certificate in Medical Physics

**Fall 2015**

HPS 720  Radiation Dosimetry (3 cr)

HPS 730  Advanced Radiation Biology (3 cr.)

HPS 742  Radiation Therapy Physics (3 cr.)

**Spring 2016**

HPS 603  Radiation Detection (3)

HPS 703  Radiation Protection and Transport (3)

HPS 740  Medical Imaging Physics (3)

Students lacking anatomy and physiology may be admitted to the program, however, they must complete an anatomy and physiology course during either the first or second semester in the program.
