

University of Nevada, Las Vegas
School of Allied Health
Bachelor of Science in Comprehensive Medical Imaging
CT/MRI Concentration
Four-Year Plan
(Fall 2018- Spring 2019)

NOTE: Students must be Certified Radiographers to enter the CT/MR track of the CMI Program.

Almost all students have completed UNLV's 2-yr Radiography Certificate Program prior to entering the CMI Program and, therefore will have completed the math and basic science requirements. Students must have a Bachelors Degree from an accredited institution in order to complete UNLV's 2-yr Radiography Certificate Program.

Students who are not Certified Radiographers will first complete a Bachelors in Comprehensive Medical Imaging in Radiography. Please refer to the Radiography course of study for a list of courses taken in the Freshman and Sophomore year.

All General Education, Math and Science Requirements must be completed.

JUNIOR YEAR
