UNIVERSITY WIDE POLICIES/ PROCEDURES

a. Disability Resource Center

The Disability Resource Center (DRC) coordinates all academic accommodations for students with documented disabilities. The DRC is the official office to review and house disability documentation for students, and to provide them with an official Academic Accommodation Plan to present to the faculty if an accommodation is warranted. The DRC strongly encourages faculty to provide accommodations only if and when they are in receipt of said plan. Faculty should not provide students accommodations without being in receipt of this plan.

UNLV complies with the provisions set forth in Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, offering reasonable accommodations to qualified students with documented disabilities. If you have a documented disability that may require accommodations, you will need to contact the DRC for the coordination of services. The DRC is located in the Student Services Complex (SSC), Room 137, and the contact numbers are: VOICE (702) 895-0866, TTY (702) 895-0652, FAX (702) 895-0651. For additional information, please visit: <http://studentlife.unlv.edu/disability/> .

For additional information about the DRC and procedures to follow when students ask for exemptions or exceptions based on their disability claim, refer them to the DRC website. For all faculty and staff (professional and classified) ADA accommodation determinations, please contact Marc Cardinalli, Assistant General Counsel and Administrative Code Officer, Flora Dungan Humanities Building (FDH), Room 320, 895-1879. In addition, you will need to inform the School of Dental Medicine Office of Student Affairs of any determination made by the DRC DS. Additional information about DS can be found on the DS website at <http://www.unlv.edu/studentlife/les> .
