- ◆ BLW 273 is required as a prerequisite for BLW 474, however, no degree credit is awarded for BLW 273.
- ◆ The number of non-business electives varies depending on the total credits used to meet requirements. A student should count the number of credits needed to meet degree requirements and subtract that from the minimum credits required to earn the degree (124). The difference is the number of non-business elective credits needed.
- ◆ The capstone course, BUS 496/7/8, must be taken in the last semester. Prerequisites: FIN 301, IS 301, MGT 301, MKT 301; initiation of the graduation application; be a last semester senior.
