Minimum Requirements for Application to the DPND
Applications will be required at the end of the sophomore year for entry into the program in the Fall of the junior year. UNLV cumulative GPA of 3.00 or higher. If no UNLV GPA has been earned then the cumulative GPA from all other schools attended will be used. A grade of C or higher is required for all other general education courses.

NOTE: meeting minimum requirements does not guarantee entrance into the DPND. The program has a cap (50 students) and this number is subject to change. Top ranked students, based on GPA, will be selected for admission into the DPND. Once admitted into the DPND, students will be considered Nutrition Sciences majors and the designation will change from NUTR-PRE to NUTR.

Entrance requirements: Students must meet and maintain the School of Allied Health Sciences minimum GPA requirement of 2.75 for admission into the Department of Kinesiology & Nutrition Sciences as a Nutrition Sciences pre-major (NUTR-PRE).

Note: Courses with number superscripts should be taken in the sequence identified.
