## Lee Business School BSBA Degree, Accounting, 2015-16

Professional training in accounting provides students with the credentials for entry into diversified job opportunities. Students may pursue careers in public accounting and become certified public accountants (CPA). Other types of certifications include the Certified Management Accountant (CMA) and Enrolled Agent (EA with the IRS). Opportunities in industry range from corporate accounting departments to president of the corporation. Many of the presidents of resort properties in Las Vegas are accountants. For information regarding the Nevada CPA exam, candidates should visit the Nevada State Board of Accountancy's web site at <http://www.nvaccountancy.com/>.

### Suggested Academic Plan

This is a suggested academic plan. Students may make adjustments and consult the current *Undergraduate Catalog* for course prerequisites.

Students cannot take ACC 400 or ACC 405 until they have satisfied ACC 201 and ACC 202 each with a minimum B- grade, been accepted to the major, and successfully passed the accounting competency examination. Contact the Accounting Department for further details about the exam.

This is not a major course, but it is required for the business core for accounting majors only.

♦ The number of general electives varies depending on the total credits used to meet requirements. A student should count the number of credits needed to meet degree requirements and subtract that from the minimum credits required to earn the degree (120). The difference is the number of general elective credits needed.

The *Undergraduate Catalog* is the source for academic requirements and policies. Those listed below are some policies that affect registration. Please see the *Undergraduate Catalog* for additional information. Seek clarification from an academic advisor as needed.

- ♦ Please see the current *Undergraduate Catalog* for course prerequisites. The current course prerequisites apply to all students, regardless of a student's catalog of matriculation.
- ♦ Minimum C (2.0) grade required in the prerequisite in order to continue with subsequent courses. Minimum C grade required to satisfy degree requirements.
- ♦ Admission to the major required to enroll in upper-division business courses.
- ♦ Lee Business School's Course-Repeat Policy: Students may take business courses a maximum of three times for degree applicability. For upper-division accounting (300-400-level ACC) classes, the three attempts include: grades earned, withdrawals and audits.
- ♦ Students should apply for graduation at least two semesters prior to their expected graduation date. Please see MyUNLV to initiate graduation and speak with your advisor about eligibility.
