

Biological Sciences Minor

School of Life Sciences

2017-2018 Catalog

University Requirements for Minors:

Minors are awarded at graduation only at the same time a major is awarded
At least nine credits must be earned at UNLV
12 credit hours must be earned at the 300-400 level
18 credit hours must be earned in the subject area (24 recommended)

School of Life Sciences Requirements:

At least 24 credits must be earned to receive the Biology Minor, as specified below

The Biological Sciences Minor is appropriate for all students with interests in the life sciences and especially for those who seek careers that may be enhanced by a background in biology. These include, but are not limited to, biochemistry, chemistry, geology, psychology, anthropology, and sociology.

****Core Biology Course Requirements****

12 credits

BIOL 189 Fundamentals of Life

4 credits

BIOL 196 Modern Biology I

4 credits

BIOL 197 Modern Biology II
