Total number of credits		(120 minimum)	

Entrance requirements: Students must meet and maintain the School of Allied Health Sciences minimum GPA requirement of **2.50** for admission into the Department of Kinesiology.

<https://www.unlv.edu/kns/athletictraining/admissions>

Note: Courses with number superscripts should be taken in the sequence identified.

***In the healthcare profession, fingerprinting will be required**

Minimum Requirements for Application

1. UNLV cumulative GPA of **2.75** or higher. If no UNLV GPA has been earned then the cumulative GPA from all other schools attended will be used.
2. Completion or Enrollment in **KIN 101** - Intro. to Athletic Training
3. Completion or Enrollment in **Anatomy** (i.e. BIOL/KIN 223 or KIN 245)
4. Transcripts from all institutions, including UNLV, are required at the time of application.

Note: Meeting minimum requirements does **not** guarantee entrance into the Athletic Training program.

Application process once minimum requirements are met:

1. **Attend** the athletic training program orientation meeting during the second Thursday of September. The actual date, time and location will be listed at <https://www.unlv.edu/kns/athletictraining/admissions>.
2. **Complete** 10 hours of observation in the UNLV Athletic Training Facilities during the five-week observation period as assigned by program director at the orientation meeting.
3. **Have** two recommendation forms completed. The UNLV athletic training faculty and staff may not complete these forms.
4. **Complete** and turn in your application and recommendation forms to the program director by the posted deadline in October.
5. **Pass** the written entrance examination in November. A passing grade is **70% or higher**.
6. The program director will select 20 students for **interviews** based on their based on GPA, written exam scores, letters of recommendation, previous clinical experience, and essays included in the application.
7. The **interview** will be scored and used in conjunction with the criteria listed above to select the **top 14 students**. These 14 students will be accepted into the Clinical Athletic Training Education Program, which begins January of the following year.
8. Students accepted into the program are required to declare Athletic Training as their major.
