- ◆ Minimum C (2.0) grade required in each minor course.
- ◆ Minimum 2.0 GPA required in the minor.
- ◆ At least 12 credits used for the minor must be unique to the minor and may not be used to satisfy requirements in the major, other degrees or other minors.
- ◆ UD business courses are considered only if taken within seven-years prior to admission to a business program.

Any student pursuing a business minor but not a business major must realize that the Lee Business School does not maintain files on the student. Therefore, it is critical the student maintain copies of paperwork received from the Lee Business School, such as evaluated course descriptions or syllabi. The student will have to provide copies of that documentation when dealing with Undergraduate Advising.
