Lee Business School  
BSBA Degree, Information Management, 2019-2020

The importance of technology has been ever increasing, and every organization requires individuals who understand both technology and business. Information Management is the use of management techniques to collect and process data in order to develop technological solutions for contemporary business problems. This major prepares individuals with the knowledge of both business and information technology, which allows them to harness the power of technology to improve performance and productivity, drive innovation, expand business, and make better business decisions. The IM major prepares students for positions in information management, business intelligence/analytics, database administration, systems design, networking, security and project management, and more.

Suggested Academic Plan

This is a suggested academic plan. Students may make adjustments and consult the current Undergraduate Catalog for course prerequisites. Student should also confirm with departments for semester course offerings.

♦ The number of general electives varies depending on the total credits used to meet requirements. A student should count the number of credits needed to meet degree requirements and subtract that from the minimum credits required to earn the degree (120). The difference is the number of general elective credits needed.

The Undergraduate Catalog is the source for academic requirements and policies. Those listed below are some policies that affect registration. Please see the Undergraduate Catalog for additional information. Seek clarification from an academic advisor as needed.

♦ Please see the current Undergraduate Catalog for course prerequisites. The current course prerequisites apply to all students, regardless of a student's catalog of matriculation.
♦ Minimum C (2.0) grade required in the prerequisite in order to continue with subsequent courses. Minimum C grade required to satisfy degree requirements.
♦ Admission to the major required to enroll in upper-division business courses.
♦ Lee Business School's Course-Repeat Policy: Students may take business courses a maximum of three times for degree applicability.
♦ Students should apply for graduation at least two semesters prior to their expected graduation date. Please see MyUNLV to initiate graduation and speak with your advisor about eligibility.
