Minor Description:

The Army ROTC program in the Department of Military Science offers an academically challenging and practical curriculum which can be completed in eight semesters or a compressed program of either four or six semesters. The military science curriculum supplements the university's baccalaureate or postgraduate studies. The Army is prepared to award a commission to any deserving student based on both Army ROTC and academic achievement upon graduation.

The scope of the military science curriculum is oriented toward developing the best all-around student who demonstrates leadership and managerial skill, reacts well under pressure, and understands general military subjects. Student cadets attend classroom conferences and a leadership laboratory program.

IMPORTANT NOTES:

Per UNLV catalog, students are solely responsible for knowing and completing their degree requirements
A minimum grade of "C" is required in all minor courses. Students are expected to follow the course prerequisites outlined in the UNLV 2021-22 Undergraduate Catalog.
2.00 or higher UNLV GPA is required for graduation
*Can substitute MIL 101, MIL 102, MIL 201 and MIL 202 with MIL 250
