Course	Credits	Semester	Grade
Elective Course from List	3		
Elective Course from List	3		
Elective Course from List	3		
Elective Course from List	3		

**Additional Pre-Requisite Courses**

Course	Credits	Semester	Grade
MATH 127 or higher	3-4		

## University Credits Remaining:

Category	Credit Numbers
Total Degree Credits Remaining:	24
Graduation Goal	SP2025
Cumulative GPA:	TBD

### Notes:

- A minimum of 9 credits towards this minor must be earned at UNLV.
- A C or better grade is required for all courses that apply towards any minors within the College of Sciences.
- Students are ineligible to pursue two programs of study in the same department. Consult with your advisor for more information.
- No more than 12 credits taken for the minor may be used to satisfy requirements in a student's major.
- All elective choices must come from the following list: GEOL 100, 101, 110, 303; GEOG 335, 421.
- The Physical Geography Minor is appropriate for all students who desire specific understanding of the spatial aspects of the Earth System and analysis or spatial data. The minor emphasizes four spheres of the earth system: atmosphere, lithosphere, hydrosphere, and biosphere.
- 2.00 or higher cumulative UNLV GPA is required for graduation.
- Consult advisor for transfer policies prior to taking courses at another institution.
- Review [course catalog](#) for course/grade prerequisites and course title/description.
- Catalog expiration: August 2031
