

2022 Summer Financial Aid Form

Student Name (printed): _____

Student Signature: _____ NSHE: _____

The (UNLV) Office of Financial Aid & Scholarships will determine your eligibility for summer financial aid after a review of:

- Your 2021-2022 Free Application for Federal Student Aid (FAFSA)
- The financial aid already applied to your account during the fall 2021 and spring 2022 semesters
- Your enrollment for the summer semester (**Please fill out the section “Summer Semester Classes You Will Enroll In and Complete”**) below

A Financial Aid Notification explaining your summer financial aid eligibility will be sent to your Rebelmail and be available on your [MyUNLV account](#).

Please only submit this form after you have finalized your summer enrollment. Changes to your class schedule may impact your financial aid eligibility or delay disbursement. You are responsible for fee payment by the [deadlines](#) based on the UNLV summer term in which you are enrolled, even if your application for summer financial aid has not been processed.

Complete this form and submit it through the [Self-Service Help Center](#) using the dates below that match your earliest session of enrollment. Adhering to the **priority deadlines (listed below)** ensures that the Office of Financial Aid & Scholarships will review your application, and you will receive notification of your summer financial aid eligibility, before the payment deadline. All forms received after the appropriate date will still be accepted and reviewed but financial aid may not be in place before payment is due.

Summer I Session Priority Deadline	April 29, 2022	Summer II Session Priority Deadline	May 20, 2022	Summer III Session Priority Deadline	June 24, 2022
---	----------------	--	--------------	---	---------------

Please note, in order for federal loans to disburse onto your account, you must:

- Accept the loans in [MyUNLV](#)
- Have a completed and current Master Promissory Note ([MPN](#))
- Have completed entrance counseling ([EC](#))
