

Bachelor of Science in Comprehensive Medical Imaging – CT/MRI

4-Year Plan (Fall 2022 - Spring 2023)

****This is an advisory tool, and may be subject to change based on course availability.**

NOTE: Students must be Certified Radiographers to enter the CT/MR track of the CMI Program.

Almost all students have completed UNLV’s 2-yr Radiography Certificate Program prior to entering the CMI Program and, therefore will have completed the math and basic science requirements. Students must have a Bachelor’s Degree from an accredited institution in order to complete UNLV’s 2-yr Radiography Certificate Program.

Students who are not Certified Radiographers will first complete a Bachelors in Comprehensive Medical Imaging in Radiography (if you attend UNLV). Please refer to the Radiography course of study for a list of courses taken in the Freshman and Sophomore year.

All General Education, Math and Science Requirements must be completed.
