State of Nevada Board of Examiners for Social Workers

This form is to be filled out by the BSW/MSW student (after they have applied to the Graduate College for graduation OR are attempting to renew licensure with the Nevada Board of Examiners) and then submitted to the School of Social Work administrative staff. When the form is received by the staff, we will verify that you are in your final semester of coursework prior to graduation (the licensing board will not accept the letter if you are not in your final semester); we will then mail a letter to the Board of Examiners verifying that you are eligible to submit your application for social work licensure. A copy of the letter to the Board will be put in your School file for future reference. Please allow sufficient time for the Board to receive the letter before submitting your application materials.
