

# Valencia, Spain – UNLV Course Equivalency Sheet

## 2023 – 2024

### Summer Language Options

- [Visit the program's Courses page](#) for course descriptions and requirements.
- Language courses are not required for summer sessions, but they are available during both sessions.
- One 3-credit course is required for each summer session.
- Session II students taking intensive Spanish language may take six credits.

| USAC Course Title                    | Credits | UNLV Equivalent | Language of Instruction |
|--------------------------------------|---------|-----------------|-------------------------|
| Intermediate Spanish I               | 3       | SPAN 287        | Spanish                 |
| Intermediate Spanish II              | 3       | SPAN 287        | Spanish                 |
| Spanish Composition I                | 3       | SPAN 387        | Spanish                 |
| Spanish Composition II               | 3       | SPAN 387        | Spanish                 |
| Advanced Spanish I                   | 3       | SPAN 487        | Spanish                 |
| Spanish Conversation and Oral Skills | 1-3     | SPAN 387        | Spanish                 |
| Spanish for Health Professions       | 3       | SPAN 387        | Spanish                 |

### Summer Session I 2023 – Students can enroll in 3-5 credits

| USAC Course Title                               | Credits | UNLV Equivalent | Language of Instruction |
|-------------------------------------------------|---------|-----------------|-------------------------|
| Differential Equations                          | 3       | MATH 427        | English                 |
| Professional Communication                      | 3       | ENG 407C        | English                 |
| Spanish Cuisine and the Mediterranean Diet      | 1       | FAB 474         | English                 |
| Statics                                         | 3       | CEE 241         | English                 |
| Windsurfing in the Mediterranean Sea            | 1       | PEX 199         | English                 |
| STEM Research Assistantship 1/2 – Both Required | 3       | UNDER REVIEW    | English & Spanish       |

### Summer Session II 2023 – Students can enroll in 3-5 credits

| USAC Course Title                               | Credits | UNLV Equivalent | Language of Instruction |
|-------------------------------------------------|---------|-----------------|-------------------------|
| Differential Equations                          | 3       | MATH 427        | English                 |
| Operations Management                           | 3       | SCM 352         | English                 |
| Spanish Cuisine and the Mediterranean Diet      | 1       | FAB 474         | English                 |
| Statics                                         | 3       | CEE 241         | English                 |
| Windsurfing in the Mediterranean Sea            | 1       | PEX 199         | English                 |
| STEM Research Assistantship 2/2 – Both Required | 3       | UNDER REVIEW    | English & Spanish       |

## Valencia, Spain 2023 - 24

### Semester Language Options

- All students are required to select a language track during fall and spring.
- Course credits can be filled with a language track plus electives in literature, culture, business or STEM fields.

| USAC Track Prerequisites                                                                                  | Credits | UNLV Equivalent Courses      |
|-----------------------------------------------------------------------------------------------------------|---------|------------------------------|
| Track I Prerequisite: No prerequisites<br>Elementary Spanish I&II, Intermediate Spanish I                 | 11      | SPAN 187, SPAN 187, SPAN 287 |
| Track II Prerequisite: 2 semesters of college Spanish<br>Intermediate Spanish I&II, Spanish Composition I | 9       | SPAN 287, SPAN 287, SPAN 387 |
| Track III Prerequisite: 4 semesters of college Spanish<br>Spanish Composition I&II, Advanced Spanish I    | 9       | SPAN 387, SPAN 387, SPAN 487 |
| Track IV Prerequisite: 6 semesters of college Spanish<br>Advanced Spanish I&II                            | 6       | SPAN 487, SPAN 487           |
| Spanish Conversation & Oral Skills                                                                        | 3       | SPAN 387                     |

### Fall 2023 – Students can enroll in 12-18 credits

| USAC Course Title                             | Credits | UNLV Equivalent | Language of Instruction |
|-----------------------------------------------|---------|-----------------|-------------------------|
| Applied Linear Algebra                        | 3       | MATH 365        | English                 |
| Calculus III                                  | 4       | MATH 283        | English                 |
| Dances of Spain                               | 1       | DAN 125         | English & Spanish       |
| Differential Equations                        | 3       | MATH 427        | English                 |
| Dynamics                                      | 3       | ME 242          | English                 |
| Elements of Material Science                  | 3       | ME 301          | English                 |
| Engineering Thermodynamics I                  | 3       | ME 311          | English                 |
| General Chemistry I                           | 3       | CHEM 121 A      | English                 |
| General Chemistry Lab I                       | 1       | CHEM 121 L      | English                 |
| Physics for Scientists and Engineers I + Lab  | 4       | PHYS 180 + 180L | English                 |
| Physics for Scientists and Engineers II + Lab | 4       | PHYS 181 + 181L | English                 |
| Professional Communication                    | 3       | ENG 407C        | English                 |
| Spanish Cuisine and the Mediterranean Diet    | 1       | FAB 474         | English                 |
| Spanish Culture and Civilization              | 3       | SPAN 387        | Spanish                 |
| Spanish Culture and Civilization              | 3       | WLC 387         | English                 |
| Statics                                       | 3       | CEE 241         | English                 |
| Survey of Spanish Literature I                | 3       | SPAN 398        | Spanish                 |
| Windsurfing in the Mediterranean Sea          | 1       | PEX 199         | English                 |
| Spanish for Health Professions                | 3       | SPAN 387        | Spanish                 |

## Valencia, Spain 2023 - 24

### Spring 2024 – Students can enroll in 12-18 credits

| USAC Course Title                                  | Credits | UNLV Equivalent | Language of Instruction |

| Dynamics                                           | 3       | ME 242          | English                 |
| Elements of Material Science                       | 3       | ME 301          | English                 |
| Engineering Thermodynamics I                       | 3       | ME 311          | English                 |
| General Chemistry II                               | 3       | CHEM 122A       | English                 |
| General Chemistry Laboratory II                    | 1       | CHEM 122L       | English                 |
| Physics for Scientists and Engineers I             | 3       | PHYS 180        | English                 |
| Physics for Scientists and Engineers II            | 3       | PHYS 181        | English                 |
| Physics for Scientists and Engineers Laboratory I  | 1       | PHYS 180L       | English                 |
| Physics for Scientists and Engineers Laboratory II | 1       | PHYS 181L       | English                 |
| Professional Communication                         | 3       | ENG 407C        | English                 |
| Spanish Cuisine and the Mediterranean Diet         | 1       | FAB 474         | English                 |
| Spanish Culture and Civilization                   | 3       | WLC 387         | English                 |
| Spanish Culture and Civilization                   | 3       | SPAN 387        | Spanish                 |
| Statics                                            | 3       | CEE 241         | English                 |
| Survey of Spanish Literature II                    | 3       | SPAN 387        | Spanish                 |
| Windsurfing in the Mediterranean Sea               | 1       | PEX 199         | English                 |
| Spanish for Health Professions                     | 3       | SPAN 387        | Spanish                 |

*\*Biology I and Biology I Lab must be taken together as co-requisite courses for 4-credit BIOL 196.*

If you are interested in using a USAC internship to satisfy an internship requirement within your major, you must meet with your academic advisor to obtain directions/guidance on what departmental requirements you must meet. Your final USAC internship approval and grade relies on approval from your academic department. Without your department's approval, your internship credit may only satisfy elective requirements.

Note: Course approvals are accurate at time of publication and subject to change.

Please contact the Office of International Programs to verify course availability.

**Updated as of: March 31, 2023**
