

Confidential Financial Certificate Intensive English Program

Academic Year 2023-2024

The United States Department of Homeland Security requires that international students have adequate resources to cover expenses during their period of study. A bank letter with an official signature, date, and stamp from a bank official can be used as verification of funds. A printout of an online monthly statement without a signature or stamp from the bank will not be accepted.

Unacceptable financial resources: proof of stock or securities (including bonds), holdings, insurance, property, retirement plans, U.S. Government forms I-134 or employment income.

Please note that the CFC and your bank letter are valid for twelve months. If you defer your admission, new financial documents may be required. All tuition and fee amounts are subject to change without notice.

Any item left blank or failure to sign this form may delay the processing of your I-20.
