XII. Texts, readings, and instructional resources:

Required Text(s):

Optional Text(s):

Current and Classical Reference(s):

National Association for the Education of Young Children. (1986). Position statement on developmentally appropriate practice in early childhood programs serving young children from birth through age 8. *Young Children*, 41(6), 4-19.

XIII. **Course Requirements and grading policy:**

**Course Requirements:**

1. **Examinations:**

   Two tests are required. One will be given mid-term and the other at the end of the class. Each will be taken in class and consist of 10 to 15 short-answer questions which cover material presented in class and in the assigned readings.

2. **Position Paper:**

   You will provide a reasoned and referenced discussion of, first, why it is so important to use an inclusive approach to early childhood education and, second, what challenges face us as we implement inclusive programs for children with and without disabilities. Finally, your paper will address how we might deal with any challenges that might arise. Feel free to include discussion of the relationship between inclusive programming and developmentally appropriate programming. **Your position paper is due at the beginning of class on Saturday, June 2.**

3. **Attendance:**

   Consistent attendance in class is expected, that is, your grade will not be positively affected by attendance; however, absences that are not excused will result in up to 10 points being deducted from your final grade. If you are more than 30 minutes late for class, you will be considered to be absent. If there is a compelling reason for you to be absent have a discussion with the professor regarding how you intend to keep up with the material presented in class.

**Grading Policy:**

Final grade for this class will be determined by computation of the simple arithmetic average of scores obtained on the two non-comprehensive 10-15 question short answer tests and the position paper. Each test is worth 100 points and the position paper is also worth 100 points (300 total). The final grade will be the simple average of the two non-
comprehensive exams and the position paper, each counting 1/3 of the final grade. The following scale will be used to determine the course grade:

Academic Misconduct—Academic integrity is a legitimate concern for every member of the campus community; all share in upholding the fundamental values of honesty, trust, respect, fairness, responsibility and professionalism. By choosing to join the UNLV community, students accept the expectations of the Student Academic Misconduct Policy and are encouraged when faced with choices to always take the ethical path. Students enrolling in UNLV assume the obligation to conduct themselves in a manner compatible with UNLV’s function as an educational institution. An example of academic misconduct is plagiarism. Plagiarism is using the words or ideas of another, from the Internet or any source, without proper citation of the sources. See the Student Academic Misconduct Policy (approved December 9, 2005) located at: https://www.unlv.edu/studentconduct/student-conduct.

Copyright—The University requires all members of the University Community to familiarize themselves with and to follow copyright and fair use requirements. You are individually and solely responsible for violations of copyright and fair use laws. The university will neither protect nor defend you nor assume any responsibility for employee or student violations of fair use laws. Violations of copyright laws could subject you to federal and state civil penalties and criminal liability, as well as disciplinary action under University policies. Additional information can be found at: http://www.unlv.edu/provost/copyright.

Disability Resource Center (DRC)—The UNLV Disability Resource Center (SSC-A 143, http://drc.unlv.edu/, 702-895-0866) provides resources for students with disabilities. If you feel that you have a disability, please make an appointment with a Disabilities Specialist at the DRC to discuss what options may be available to you. If you are registered with the UNLV Disability Resource Center, bring your Academic Accommodation Plan from the DRC to the instructor during office hours so that you may work together to develop strategies for implementing the accommodations to meet both your needs and the requirements of the course. Any information you provide is private and will be treated as such. To maintain the confidentiality of your request, please do not approach the instructor in front of others to discuss your accommodation needs.

Religious Holidays Policy—Any student missing class quizzes, examinations, or any other class or lab work because of observance of religious holidays shall be given an opportunity during that semester to make up missed work. The make-up will apply to the religious holiday absence only. It shall be the responsibility of the student to notify the instructor within the first 14 calendar days of the course for fall and spring courses (excluding modular courses), or within the first 7 calendar days of the course for summer and modular courses, of his or her intention to participate in religious holidays which do not fall on state holidays or periods of class recess. For additional information, please visit: http://catalog.unlv.edu/content.php?catoid=6&navoid=531.

Transparency in Learning and Teaching—The University encourages application of the transparency method of constructing assignments for student success. Please see these two links for further information:

https://www.unlv.edu/provost/teachingandlearning

https://www.unlv.edu/provost/transparency

Incomplete Grades—The grade of I—Incomplete—can be granted when a student has satisfactorily completed three-fourths of course work for that semester/session but for reason(s) beyond the student’s control, and acceptable to the instructor, cannot complete the last part of the course, and the instructor believes that the student can finish the course without repeating it. The incomplete work must be made up before the end of the following regular semester for undergraduate courses. Graduate students receiving “I” grades in 500-, 600-, or 700-level courses have up to one calendar year to complete the work, at the
discretion of the instructor. If course requirements are not completed within the time indicated, a grade of F will be recorded and the GPA will be adjusted accordingly. Students who are fulfilling an Incomplete do not register for the course but make individual arrangements with the instructor who assigned the I grade.
