

Artist Diploma Program Handbook

Welcome

On behalf of our students, faculty, and administrative staff, welcome to the UNLV School of Music. The School of Music offers students opportunities for musical study in a professional, artistic environment that strives to promote the highest level of artistic development according to each student's unique strengths.

Our students pursue musical interests in performance, composition, music teaching, recording technology, history and literature, jazz studies, Orff Schulwerk, and conducting.

Our faculty, each a renowned scholar and respected professional artist, many of whom have performed around the world, and others who have garnered prestigious awards, is dedicated to prepare students to be artistic leaders in their profession, each possessing the highest standards of performance, teaching, scholarship and artistic vision.

Our graduates enjoy successful careers as performers, teachers, and music practitioners. Many former students enjoy successful careers in the Las Vegas resort industry, the recording business, and area professional ensembles. Other graduates have gone on to pursue further music study at either UNLV or other prestigious universities and conservatories. In scholarship, composition, education and performance we aim to contribute to the cultural life of the University, of the city and of the state of Nevada.

Program Requirements

The Artist Diploma is a two-year program for gifted performers who are looking for advanced instrumental, conducting, or vocal studies without the additional academic demands required in a Doctor of Musical Arts (DMA) or Ph.D. program. Applicants must have already earned a Masters degree. This program is limited to the most advanced instrumentalists, vocalists, and conductors, who are in the beginning stages of professional careers as performers.

The Artist Diploma program differs from the DMA program in that it is intended for musicians who are solely interested in a career in performance whereas the DMA program is designed for students who may primarily be pursuing a career in higher education. The curriculum is limited to applied lessons, ensembles, and performance related seminars in order to provide students with the maximum opportunity to refine their performance skills. The Artist Diploma recipient will be prepared to go on to participate in international competitions, audition for professional orchestras and opera companies, and embark on a performance career.

Program requirements regarding [admission, coursework and culminating experience are found in the graduate catalog](#).

Advisory Committee Guidelines

Artist Diploma students form a four-member Advisory Committee that oversees all recitals. Committees are formed in consultation with student's advisor and include: The student's advisor, at least one member from a graduate field of study outside the major instrument area (Music History, Music Theory, Music Education, etc.), a Graduate College Representative (who cannot be faculty within the School of Music), and faculty members from the student's primary or minor area of study, inside or outside of the School of Music. An additional fifth member is optional and may be drawn from other qualified faculty, instructors, or academic staff (if appropriate). Artist Diploma Advisory Committees are limited to no more than five members. Attendance of the Graduate College Representative at recitals is encouraged but optional.

Before completing more than 16 credit hours towards the degree, students must submit the Appointment of Advisory Committee Form and the Degree Plan Part 1 Form to the Graduate College through the Grad Rebel Gateway.

Degree Program Benchmarks

Successful completion of the program and conferral of the Artist Diploma degree requires students fulfill the Graduate College requirements for remaining in good standing and making adequate progress each semester. The final recital of the Artist Diploma student will function as the Culminating Experience for the degree. With advance approval of the Advisory Committee, Artist Diploma students may also complete other graded projects for inclusion in the Culminating Experience, such as developing and running a music festival, producing recordings, developing and implementing a K-12 music outreach program, and the like.

Program Timeline

The three subplans of the Artist Diploma program have different course requirements, but in all cases sum to a total of 42 credits, distributed over two years. Over those two years, all Artist Diploma students are must register for applied lessons every semester; instrumental and vocal performance students are also required to register for the Performance Seminar (MUS 775) each semester: Each semester students must also enroll in at least one ensemble course; instrumental and conducting students are recommended to enroll in two per semester. Ensemble credits may be fulfilled with any of the School of Music graduate ensemble courses including the Symphony and Wind Orchestras, chamber ensembles, Jazz ensembles, Early Music ensembles, and so forth. The three recitals may be distributed across the two years in different ways, but typically the first semester does not include a recital. Note that Artist Diploma recitals are subject to the same general recital rules as other graduate recitals—see the recital policies published in the Graduate Handbook and on the School of Music website.

Annual Review Procedures

Each winter break and early spring term, graduate students are **required** to complete the Graduate Student Individual Development Plan (IDP) form. The review covers the prior calendar year and assesses student progress, and it establishes reasonable goals for the year ahead. Reported student data is shared with students' graduate coordinators and advisors to foster opportunities for discussion about students' strengths and weaknesses, accomplishments and next requirements, and mentoring plans so that students know what they need to do in order to progress successfully through their programs in a timely manner. Students who are graduating are also required to complete the form in order to record their achievements since the data is also used to track metrics related to the annual productivity of all students. This survey will be sent by the Graduate College to the student's Rebelmail account. The review covers the prior calendar year and assesses student progress while setting goals for the year ahead.

Probation

If a student fails to successfully progress in their degree program, their department/school will recommend that the student be placed on probation by the Graduate College. Students on probation may be dismissed/separated from their program for failing to successfully meet the conditions of their probation by the deadline provided. Please see the **Probation and Separation** section of the Graduate Catalog for more information.
