

## School of Public Health 3 Year Course Rotation, Fall 2025-Summer 2028

Below is the 3-year course rotation for courses offered as part of the Master (MPH) and Doctorate (PhD) of Public Health program and the Master of Healthcare Administration (MHA) program. The schedule below should be used as a reference as to when classes are expected to be offered. While each department will do its best to meet the schedules outlined below, course offerings are *subject to enrollment and faculty availability*. Students are encouraged to take courses during their fall or spring schedules as summer courses may be subject to cancellation due to low enrollment. To assure availability of classes, make sure you contact your advisor each semester to update your plan of study.
