PCard verifications for FY24 must be submitted by cardholders and through departmental approvals by June 30, 2024, to allow time for processing by the PCard office.

Deadlines:

➢ **June 1 - June 30:** Verify and Approve PCard transactions daily.

Supplier invoice requests (SIRs) for FY2024 expenses (goods and or services received on or prior to June 30, 2024) must be in the Financial Services’ Workday inbox no later than **July 5, 2024**.

Please remember that even if transactions relating to FY2024 state-appropriated funds are submitted to Financial Services by the specified cut-off date, transactions will not necessarily be processed if there is insufficient budget or inadequate documentary support. Every attempt will be made to resolve and process all transactions; however, we cannot ensure that transactions will get processed prior to the specified cut-off date if we are unable to resolve questions, budgetary issues, or obtain adequate supporting documentation. In the event an FY24 transaction is not processed in FY24, non-state funds will have to be identified to process it in FY25.
