University Credits Remaining:

| Category | Credit Numbers |
|---------------------------------|----------------|
| Total Degree Credits Remaining: | 24 |
| Graduation Goal | SP2026 |
| Cumulative GPA: | TBD |

Notes:

- A minimum of 9 credits towards this minor must be earned at UNLV.
- A C or better grade is required for all courses that apply towards any minors within the College of Sciences.
- Students are ineligible to pursue two programs of study in the same department. Consult with your advisor for more information.
- MATH 127 or higher and CHEM 121A+L courses do not apply to minor requirements; however, they are required pre-requisites for GEOL 220.
- The Geology Minor is designed for students who desire a scientific understanding of the planet Earth, including earth materials and processes, and the history of the planet and its life. It may be relevant to education, archeology, environmental studies, science, or engineering majors.
- 2.00 or higher cumulative UNLV GPA is required for graduation.
- Consult advisor for transfer policies prior to taking courses at another institution.
- Review course catalog for course/grade prerequisites and course title/description.
- Catalog expiration: August 2032
