Director's Note: Be responsive to UNLV email that comes to personal and student accounts until fully admitted. Look for the welcome email once admitted.

Program Specific Information:

- Full major requirements: 2.0 UNLV GPA; completion of EDU 201 or 202; 15 cr completed.
- 2.75 GPA required in teaching field.
- 40 upper division credits required.
- Praxis Core/CBEST exams no longer required for major, but still required for licensure. SAT (min score 1100) and ACT (min score 21) may be used in lieu of Praxis Core/CBEST for licensing. Any exam used to fulfill licensing requirements must be passed within 10 years of applying for license.

Transfer Policies:

REVISED 50/50 RULE

• The policy stating that UNLV will only accept up to 60 credits to be transferred and applied to any specific program/major is no longer in place. Unless a college/major has a specific requirement on credit limitations i.e., Lee Business School, College of Education, transfer credits from 2-year institutions should no longer be limited to 60 credits. At least 30 credits of upper division from UNLV are now required to obtain a Bachelor's.

REPEAT POLICY

- Students may retake a CSN course as often as needed to gain a better grade and, thereby, a
 higher grade point average. Only the highest grade received will count as part of the total CSN
 grade point average. All repeated courses taken at CSN will remain as part of a student's
 permanent academic record.
 - *PLEASE NOTE: While CSN accepts the BEST grade, UNLV accepts the LAST grade.
- To improve GPA and change the original grade the course must be repeated at the institution that it was completed. For example, if a student takes MATH 124 at CSN and receives an F the course must be repeated at CSN in order to replace the grade and improve the GPA.

REVERSE TRANSFER

Students who have earned 15 or more credits at CSN and have transferred to a four-year
institution without an associate's degree may "reverse transfer" the earned credits from the
four-year institution to complete an associate's degree. This process makes it possible for
students to earn an associate's degree as they continue to work toward completing their
bachelor's degree.

NOTE: Some courses that fulfill specific general education requirements at CSN may fulfill different general education requirements at UNLV. Please see a UNLV/CSN Transfer Program Advisor to confirm your choices.
