HSC 400	3
HSC 405	3
Semester Total	12 credits

* Student may have to take CHEM 103 based on placement. If student places in CHEM 121 A/L, CHEM 103 can be substituted with another course.

**NUTR 301 is a double-dipper course that also satisfies the INTERNATIONAL requirement.

In the healthcare profession, fingerprinting will be required

Credit Requirements: Student must complete a minimum of 120 credits to graduate. Student must complete 30 Upper Division credits (300-499 level) at UNLV. Student must complete their last 30 credits at UNLV.

Courses are outlined by departmental preference, prerequisite requirements, and common course rotations.
