## **CHAPTER 001: PRELIMINARY**

### **SECTION 01: PURPOSE**

- A. The purpose of the CSUN Bylaws is to provide for a single, well organized, document that contains all the prevailing law of the Consolidated Students of the University of Nevada (CSUN).

### **SECTION 02: REFERENCING PARTS OF CSUN BYLAWS**

- A. References to a section of the CSUN Bylaws are listed in the manner of Chapter then Section. Section 02 of this Chapter would be written as follows: CSUN Bylaw 001.02.

### **SECTION 03: AMENDING, RESCINDING, AND SUSPENDING BYLAWS**

- A. Amendments to the CSUN Bylaws may be proposed by any CSUN member through any senator.
  - 1. All proposals to amend the CSUN Bylaws must be approved by the Internal Affairs Committee, with the exception of:
    - i. Proposals relating only to the governing of the Executive Branch which may originate from the Executive Board.
    - ii. Proposals relating to Scholarships and Grants which may originate from the Scholarships and Grants Committee.
      - 1. All other forms of legislation/proposals aside from these exceptions listed above will be sent to the Internal Affairs Committee.
    - iii. Proposals relating to Sponsorships, which may originate from the University Initiatives Committee.
- B. Proposals amending, Rescinding, or Suspending CSUN Bylaws shall pass their corresponding committee by a majority vote, prior to passage by the Senate, with a two-thirds vote, and shall take effect forty-eight hours after Senate passage unless otherwise provided in the legislation.
- C. Amending a bylaw makes minor changes in a text in order to make it fairer, more accurate, or more up to date.
  - 1. A bylaw may only be amended through legislation by a majority vote in its respective committee, followed by a 2/3 vote in the Senate.
  - 2. The author of the legislation has 48 hours to provide all proposed bylaw changes and approved bills to the President, who has veto power, in line with the constitution.
  - 3. Bills should be titles in such a way as to explain its purpose (e.g. An Act to Amend Bylaw Chapter \_\_:\_\_).
- D. When a bylaw has no further need, action or consequence, it is redundant and should be rescinded.

1. A bylaw may only be rescinded through legislation. Bills should be titled in such a way as to explain its purpose (e.g. An Act to Rescind Bylaw Chapter \_\_: \_\_\_\_).
2. There are two forms of rescinding;
  - i. Rescind with replacement: this process involves repealing the former bylaw and introducing an entirely new bylaw that includes language that clearly indicates that one bylaw is being replaced by another.
  - ii. Rescind without replacement: this process involves repealing a bylaw and not replacing it.
- E. When a bylaw is restricting the efficient functioning of student government and there is no need to repeal the bylaw, it may be suspended for a period of time.
  1. A bylaw may be suspended through legislation. Bills should be titled in such a way as to explain its purpose (e.g. An Act to Suspend Bylaw Chapter \_\_: \_\_\_\_).
  2. If an action requires the suspension of a bylaw that suspension must be outlined within the legislation. The suspension shall only be valid for the actions taken within its senate bill.
    - i. The period of time for which the bylaw will be suspended must be explicitly stated within the legislation.
