BLW 302	Eligible for a Lee Business School major or Cybersecurity major by the start of the term or Real estate minor or Construction Management major. The maximum number of attempts for this course is three.	3
CSEC Elective	none	3

Course	Prerequisite	Credits
CSEC Elective	None	3

**Total Credits at UNLV:69**

**Degree Total: 129**

**Program Specific Information:**

**Transfer Policies:**

#### REVISED 50/50 RULE

- The policy stating that UNLV will only accept up to 60 credits to be transferred and applied to any specific program/major is no longer in place. Unless a college/major has a specific requirement on credit limitations i.e., Lee Business School, College of Education, transfer credits from 2-year institutions should no longer be limited to 60 credits. At least 30 credits of upper division from UNLV are now required to obtain a Bachelor's.

#### REPEAT POLICY

- Students may retake a TMCC course as often as needed to gain a better grade and, thereby, a higher grade point average. Only the highest grade received will count as part of the total TMCC grade point average. All repeated courses taken at TMCC will remain as part of a student's permanent academic record.  
\*PLEASE NOTE: While TMCC accepts the BEST grade, UNLV accepts the LAST grade.
- To improve GPA and change the original grade the course must be repeated at the institution that it was completed. For example, if a student takes MATH 124 at CSN and receives an F the course must be repeated at TMCC to replace the grade and improve the GPA.

#### REVERSE TRANSFER

- Students who have earned 15 or more credits at TMCC and have transferred to a four-year institution without an associate's degree may "reverse transfer" the earned credits from the four-year institution to complete an associate's degree. This process makes it possible for students to earn an associate's degree as they continue to work toward completing their bachelor's degree.

**NOTE:** Some courses that fulfill specific general education requirements at TMCC may fulfill different general education requirements at UNLV. Please see an academic advisor to confirm your choices.
