Course	Prerequisite	Credits
PBH 440 - Program Planning and Evaluation		3
PBH 445 - Food Access and Health	PBH 205, PBH 340	3
PBH 455 - Active Transport, Physical Activity and Health	PBH 205, PBH 340	3
PBH 460 - Health Ecology and Sustainability	ENV 101, PBH 205, PBH 340	3
PBH 495 - Public Health Capstone	C+ in PBH 300, senior status, instructor permission	4

Total Credits at UNLV: 60

Degree Total: 120

Program Specific Information:

Transfer Policies:

REVISED 50/50 RULE

- The policy stating that UNLV will only accept up to 60 credits to be transferred and applied to any specific program/major is no longer in place. Unless a college/major has a specific requirement on credit limitations i.e., Lee Business School, College of Education, transfer credits from 2-year institutions should no longer be limited to 60 credits. At least 30 credits of upper division from UNLV are now required to obtain a Bachelor's.

REPEAT POLICY

- TMCC students have the right to retake any course as long as current prerequisites and departmental and program requirements are satisfied. Only the highest grade is used in the computation of their total grade point average. Students may not receive duplicate credit for repeated courses, unless the college has designated the course as repeatable.

*PLEASE NOTE: While TMCC accepts the BEST grade, UNLV accepts the LAST grade.

- To improve GPA and change the original grade the course must be repeated at the institution that it was completed. For example, if a student takes ENG 101 at TMCC and receives an F the course must be repeated at TMCC to replace the grade and improve the GPA.

REVERSE TRANSFER

- Students who have earned 15 or more credits at TMCC and have transferred to a four-year institution without an associate's degree may "reverse transfer" the earned credits from the four-year institution to complete an associate's degree. This process makes it possible for students to earn an associate's degree as they continue to work toward completing their bachelor's degree.

NOTE: Some courses that fulfill specific general education requirements at TMCC may fulfill different general education requirements at UNLV. Please see an academic advisor to confirm your choices.
