

Continuing Education: Forensic Dentistry

Saturday, August 22, 2026
9 a.m. - noon (Registration at 7:30 a.m.)

1700 W. Charleston Blvd., Bldg. A
Las Vegas, NV 89102

Tuition: \$135 (includes continental breakfast)

CEU Credits: three

Synopsis

This introductory course explores the role of forensic odontology within the broader field of forensic science. Students will learn the fundamentals of dental identification, age estimation, and bite mark analysis, along with the recognition of human abuse and neglect. The course highlights the forensic odontologist’s contributions to medico-legal investigations, emphasizing collaboration with law enforcement and medical examiners. Participants will understand how dental evidence supports human identification and justice in forensic contexts.

Learning Objectives

- Explain the fundamental principles and scope of forensic odontology within the field of forensic science.
- Understand basic methods of dental identification, age estimation, and bite mark analysis in forensic cases.
- Recognize indicators of human abuse and neglect through dental and oral evidence.
- Describe the role and responsibilities of the forensic odontologist in medico-legal investigations and interdisciplinary collaboration.

Featured Speaker

Dr. Grace Chung, Diplomate of the American Board of Forensic Odontology, serves as the Chief Forensic Odontologist at the Clark County Office of the Coroner/Medical Examiner in Las Vegas, NV. A 2004 West Point graduate, she served six years as an Army Medical Service Corps Officer in Germany and Iraq before earning her DDS from the University of Maryland. She completed a forensic odontology internship at the Maryland OCME, and joined the National Missing and Unidentified Persons System and the FBI’s NCIC dental review panel in 2015. Dr. Chung maintains a private practice in Henderson, NV and is a Diplomate of the American Board of Oral Implantology/Implant Dentistry and a Fellow of the American Academy of Implant Dentistry.

Refund & Cancellation

You may register up to the date of the course if space is available. We reserve the right to cancel courses 30 days or more in advance of the scheduled date, and recommend delaying flight and hotel reservations until this deadline passes since UNLV will not reimburse travel or lodging expenditures. If the school cancels a course, all registration fees will either be returned or credited toward a future class. If you cancel at least 30 days prior to the course date, you will receive 100% reimbursement. If you cancel between 29 and 14 days, a 20% administrative fee will be assessed. If you cancel 13 days or fewer, you will not receive a refund, but your payment can be applied to a future course. Registration fee credit must be used within one year of the original course date. Any fees paid by check will be reimbursed by check and may require four to six weeks. Credit card payments will be credited to the card used for course registration.

Approved PACE Program Provider
FAGD/MAGD credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. Nationally approved from June 1st, 2024 to May 31st, 2028. Provider ID #213111.

This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education recognition program. ADACERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADACERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for continuing education provider recognition at ada.Org/ CERP. The University of Nevada Las Vegas School of Dental Medicine designates this activity for four CEU credits.
