

TRANSFER PROGRAM

TRANSFER AGREEMENT: 2026-2027

University of Nevada Las Vegas Bachelor's Degree Program:

BS General Science

College of Southern Nevada Associate's Degree Program:

AS Associate of Science

CSN	Fall – 1st year	Total Credits: 16
------------	------------------------	--------------------------

Course	Prerequisite	Credits
ENG 100 OR 101 OR 110 OR 113	None	3
MATH 126 or 126E (C or better)	MATH 126 Prerequisite: MATH 96 (for CSN High School and Jumpstart Students) with a grade of C or better; or a grade of D or better in MATH 126E; or a satisfactory ACT/SAT/Placement Test score. MATH 126E: No prerequisite; Corequisite of MATH 26	3
Natural Science No Lab (GEOG or GEOL 100 level)	Note: This course can count toward the STEM Electives of which 6 credits can be lower division.	3
HIST 100 or PSC 101 (CSN recommends PSC 101)	None	4
Social Science	None	3

CSN	Spring – 1st year	Total Credits: 17
------------	--------------------------	--------------------------

Course	Prerequisite	Credits
ENG 102 OR 114 (C or better)	ENG 100 or ENG 101 or ENG 101H or ENG 110 or ENG 113 with a grade of C- or higher	3
COM 101	None	3
Core Requirement: CHEM 121 (C or better)	A grade of C or better in CHEM 103; or a passing score on the Chemistry Placement Exam. (Note: It is recommended that students enrolled in CHEM 121 have taken or have concurrent enrollment in MATH 127 or MATH 128.)	4
Natural Science w/lab (UNLV requires BIOL 190 (C or better))	ENG 100 or ENG 101 or ENG 110 or ENG 113; and MATH 124 or MATH 124E or MATH 126 or MATH 126E or above; all with a grade of C- or better	4

Course	Prerequisite	Credits
Core Requirement: MATH 127	MATH 126 with a grade of C or better; or a satisfactory ACT/SAT/Placement Test score.	3

CSN	Fall – 2nd year	Total Credits: 14
------------	------------------------	--------------------------

Course	Prerequisite	Credits
ENG 231 or 232 (Values & Diversity)	ENG 100 or 101 or 101H or 110 or 113 with a grade of C- or higher; or Department Chair or Instructor approval.	3
Core Requirement: BIOL 191 (C or better)	BIOL 190 with a grade of C or higher	4
Core Requirement: PHYS 151	C or higher in MATH 127 or MATH 128 or MATH 181	4
Core Requirement: STAT 152	A grade of C or better in either MATH 124 or 124E or MATH 126 or MATH 126E or MATH 128; or a satisfactory ACT/SAT/Placement Test score.	3

CSN	Spring – 2nd year	Total Credits: 14
------------	--------------------------	--------------------------

Course	Prerequisite	Credits
ELECTIVE (UNLV REQUIRES PHYS 152)	PHYS 151	4
ELECTIVE (UNLV REQUIRES CHEM 122) ENG 231 or 232	CHEM 121 with a grade of C or higher	4
ELECTIVE (UNLV REQUIRES A STEM COURSE)	None	4
FINE ARTS	None	3

Total Credits at CSN: 61

Multicultural and International requirements waived if CSN AA, AS, or AB is completed.

UNLV	Fall – 3rd year	Total Credits: 15
-------------	------------------------	--------------------------

Course	Prerequisite	Credits
Writing Requirement (see below for choices)	ENG 102	3
Upper Division STEM Elective	None	3
Upper Division STEM Elective	None	3
STAT 391 OR 491	C or better in MATH 127 or equivalent	3
Upper Division STEM Elective	None	3

UNLV	Spring –3rd year	Total Credits: 15
------	------------------	-------------------

Course	Prerequisite	Credits
Upper Division STEM Elective	None	3
Upper Division STEM Elective	None	3
Upper Division STEM Elective	None	3
Upper Division STEM Elective	None	3
Upper Division STEM Elective	None	3

UNLV	Fall – 4th year	Total Credits: 15
------	-----------------	-------------------

Course	Prerequisite	Credits
SCI 496	Senior standing & C- or better in BIOL 190, 190L, 191A, 191L, CHEM 121A, 121L, 122A, 122L, MATH 127 or higher, and ENG 102	3
STEM Elective (Any Level)	None	3
STEM Elective (Any Level)	None	3
Upper Division Elective	None	3
Upper Division Elective	None	3

UNLV	Spring – 4th year	Total Credits: 14
------	-------------------	-------------------

Course	Prerequisite	Credits
Upper Division Elective	None	3
Upper Division Elective	None	3
Upper Division Elective	None	3
Elective (Any level)	None	3
Elective (Any level)	None	2

Total Credits at UNLV: 59

Degree Total: 120

Director's Note: Start math and chemistry early.

Program Specific Information: All science and math courses transferred from another school require a grade of C or better (C- is not sufficient) before enrollment in any upper division biology course. To declare a major in the College of Sciences, current students must have a UNLV GPA of 2.5 and place into MATH 126 or higher.

Writing Requirement (choose one): ENG 407A, ENG 405B, ENG 407B, or ENG 407C

Upper Division Biology Prerequisite Requirements: C or better in each of the following: BIOL 190A, 190L, 191A, 191L, CHEM 121A, CHEM 121L, CHEM 122A, CHEM 122L, ENG 102 or ENG 114 or HON 100, and MATH 127 or 181 or higher

****BIOL 251H at CSN will transfer to UNLV as BIOL 351 but will not apply to the upper- division Biology credits required for the BS in Biology. An additional upper-division Biology course will be required to earn a degree at UNLV.**

Transfer Policies:

REVISED 50/50 RULE

- The policy stating that UNLV will only accept up to 60 credits to be transferred and applied to any specific program/major is no longer in place. Unless a college/major has a specific requirement on credit limitations (e.g., Lee Business School, College of Education), transfer credits from 2-year institutions should no longer be limited to 60 credits. At least 30 credits of upper division from UNLV are now required to obtain a Bachelor's.

REPEAT POLICIES

- CSN courses may be repeated as needed to increase GPA. All repeated courses attempted at CSN will remain as part of the student's academic record. NOTE: CSN accepts your best grade for GPA recalculation and degree requirements.
- UNLV BIOL and CHEM-prefix courses may be attempted three times, inclusive of all grades, withdrawals, audits, and incompletes. All repeated courses attempted at UNLV will remain part of the student's academic record. NOTE: UNLV accepts your last grade for GPA recalculation and degree requirements.
- Students seeking to repeat a course for GPA improvement must repeat that course at the institution where it was completed. For example, a student who completed MATH 124 at CSN and earned a D must re-take the course at CSN to improve the GPA.

REVERSE TRANSFER

- Students who have earned 15 or more credits at CSN and have transferred to a four-year institution without an associate's degree may "reverse transfer" the earned credits from the four-year institution to complete an associate's degree. This process makes it possible for students to earn an associate's degree as they continue to work toward completing their bachelor's degree.

NOTE: Some courses that fulfill specific general education requirements at CSN may fulfill different general education requirements at UNLV. Please see a UNLV/CSN Transfer Program Advisor to confirm your choices.
