Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Students are allowed to have up to 15 non-foundational credits waived (if they were part of a previous graduate degree) or transferred (if they were not), which may allow them to complete the program within 5 years if they completed a Master's thesis consistent with one in our program.
