Each UNLV Major requires a specific MATH course.

Review your degree requirements to understand the math course required for your major. If you have questions, contact your academic advisor.

*Please note that the ALEKS scores listed on the tables above are the same as the percentage you see when you complete ALEKS. Example: 61% =61

FIND THE MATH COURSE REQUIRED FOR YOUR MAJOR IN THE BLACK BOX (left side). THEN FOLLOW THE CHART TO UNDERSTAND THE PATHWAY OPTIONS TO GET TO YOUR MATH REQUIREMENT.

Path is determined based on current math placement and math course needed for individual major.

MATH 120

Entering with:

1st Semester

2nd Semester

Path 1

Placement into Math 120 (per Placement Chart)

MATH 120

Path 2

Placement into Math 95 (per Placement Chart)

To increase your Math Placement Score, you may take **ALEKS** or the DMS Math Placement Test:
ALEKS: Visit your MyUNLV student center for the ALEKS button, where you can sign up for the online ALEKS test.
DMS Math Placement Test: The Department of Mathematical Sciences (DMS) offers a placement exam for students for a minimal fee. This exam is offered exclusively on-campus through the UNLV DMS on specific days and times. Visit website for sign-up details: www.unlv.edu/math/proficiency

Please be aware: Your major may have a minimum grade requirement for math courses. Please speak with your academic advisor for more information concerning your math pathway/major requirements.
