

**Bid Attachment 1  
Schedule 1  
Pricing Sheet**

UNLV reserves the right to award individually to the Best Bidders for Lot 1 and Lot 2 or to award to the Best Bidder for Lot 3 or to award to no Bidders. Each Lot contains one or more Alternates which are being funded by separate sources. NOTE: Alternates are not in order of preference. As such, the Best Bid will be determined based upon the Base Bid plus the selected Alternate(s), if any, based upon the available funding of the particular source(s). (By way of example Best Bid for Lot 1 could be determined by the Base Bid, The Base Bid Plus Alternate A or Base Bid Plus Alternate A + Alternate B) Please also note that your Bid for Lot 3 does not need to equal the Bid for Lots 1 & 2. UNLV is seeking the lowest cost solution.
