Catalog Pricing

Completing the Pricing Response Form is mandatory, but as an option, Contractors may provide a complete catalog and price list of all equipment available. Net price for equipment will be calculated on published rental cost less specified percentage of discount applied to the price. If specific categories of equipment can be grouped together for a discount, please identify types of equipment included in the category, i.e., forklift, backhoe, bobcat, scissors lift. This price list is to be submitted separately from the one above.
