15. **SUBSTANTIAL COMPLETION**

In the event Substantial Completion is not achieved after 60 days of receipt of a Purchase Order except as result only of delays for which the Owner is chargeable under the Contract Documents or from Unavoidable Delay, Construction Manager agrees that Owner shall have the right to deduct from any sums due to Construction Manager hereunder the sum of five hundred (\$500.00) for each day that Substantial Completion is actually delayed, provided, however, that (i) Owner may commence to make such deductions prior to the scheduled date of Substantial Completion in the event Owner reasonably projects that the Project will not be completed on the scheduled date of Substantial Completion and (ii) Construction Manager shall pay to Owner in cash any amounts which Owner is entitled to deduct in the event the remaining amount of funds due hereunder is less than the amounts Owner has the right to deduct. Owner and Construction Manager agree and acknowledge that (i) Owner's actual damages for the failure of Substantial Completion would be substantial but extremely difficult to ascertain and (ii) such sum represents a fair and reasonable estimate of the costs Owner will incur as a result of such late achievement of Substantial Completion.

"Unavoidable Delays" means delays due to any of the following, and only the following, (provided that such delay is beyond Construction Manager's reasonable control): war, insurrection, civil commotion, strikes, slowdowns, lock outs, riots, flood, earthquakes, fires, casualties, acts of God, acts of a public enemy, acts of terrorism, epidemics, quarantine restrictions, freight embargoes, lack of transportation, governmental moratoriums, unusually severe or abnormal weather conditions, failure of utilities, or a court order which causes a delay (unless resulting from a wrongful act of Construction Manager). In no event shall the application to Construction Manager of any applicable law, regulation, rule or other governmental requirement constitute an Unavoidable Delay. Contractor shall use reasonable good faith efforts to notify Owner not later than five (5) days after Construction Manager knows of the occurrence of an Unavoidable Delay. An extension of time for an Unavoidable Delay shall only be for the period of the Unavoidable Delay, which period shall commence to run from the time of the commencement of the cause of the Unavoidable Delay.

16. **SUSTAINABILITY**

- b) The UNLV may request the successful bidder to provide reports related to sustainability on all goods and services provided under this bid. Reports may include, but are not limited to: sustainable attributes of each product or service, the dollar and percentage amount spent on sustainable or environmentally preferred products and services, and the total amount spent by UNLV.
- c) All electronic equipment the UNLV purchases must be Energy Star rated (or, if there is no Energy Star rating for the desired equipment, energy efficient models or substitutes are preferred). The requirement to purchase Energy Star rated equipment will improve the University's energy and financial performance while distinguishing our institution as an environmental leader.

17. **TAXES, LICENSES AND PERMITS**

- a) It is the Contractor's responsibility for securing all required licenses, permits and insurance necessary for the proper execution and completion of the work involved. This law requires that, when the qualifications of applicants are equal, that preference be given: First, to honorably discharged soldiers, sailors, and marines of the United States who are citizens of the State of Nevada; second, to other citizens of the State of Nevada. If the provisions of NRS 338.130 are not complied with by the Contractor, a contract for a public work is void, and any failure or refusal to comply with any of the provisions of NRS 338.130 renders such contract void.

22. **PREFERENCE IN BIDDING**

- a) For public works projects for which the estimated cost exceeds \$250,000, the Owner may award the Contract to the Bidder who submits the best Bid as defined by NRS 338.1389 and, in doing so will consider the Bidder's eligibility for a bidding preference. Eligibility for the preference will be established if the Bidder, at the time of Bid: 1) submits a valid certificate of eligibility from the State Contractor's Board; and 2) submits the "Affidavit Pertaining to Preference Eligibility" form, attached hereto as Attachment No. 6, within 2 hours after the completion of the opening of the Bid by the Owner, included as part of the Bid Documents and hereafter incorporated into the Contract.
- b) If the Contractor submitted, within 2 hours after the completion of the opening of the Bid, a signed and notarized "Affidavit Pertaining to Preference Eligibility" form, and fails to comply with any of the requirements certified in the Affidavit, such failure is a material breach of the Contract and entitles the Owner to liquidated damages in the amount of one percent (1%) of the Contract Price.

 - (i) If a party to the contract causes the contractor, applicant or design build team to fail to comply with a requirement of paragraphs (a)-(d), inclusive, of subsection 1 of NRS 338.0117, the party is liable to the Owner for a penalty in the amount of 1 percent pf the cost of the largest contract to which he or she is a party;
