EXHIBIT B
MINIMUM CONTRACT TERMS FOR THE RFP
FOR THE UNIVERSITY OF NEVADA, LAS VEGAS

These Minimum Contract Terms set forth the minimum Contract terms and conditions that will be applicable to a Contract resulting from this RFP. The final Contract will include details specific to the scope of this RFP, and any services which are excluded, due to existing agreements or replacement agreements thereof. It is important to note any objections to these Minimum Contract Terms (including all insurance requirements), since the final Contract will be longer and contain more, rather than less terms and conditions than the following:

This Contract #______ ("Contract") is made effective as of the date last signed below by any authorized signatory (the "Effective Date") by and between the Board of Regents of the Nevada System of Higher Education ("NSHE"), on behalf of the University of Nevada, Las Vegas, ("UNLV") and ______________ ("Contractor"), and is based on the following facts:

RECITALS

UNLV requires contractors that can provide program curriculum, instruction and equipment and facility for a non-credit Unmanned Aircraft Systems (UAS) Certificate program which will be offered through UNLV Continuing Education.

On December 4, 2017, UNLV issued its Request for Proposal No. 706-CM (the “RFP”) seeking proposals from qualified Proposers to provide ________ services in connection with the ________.

On ________________, 20___, Contractor submitted a proposal ("Proposal") in response the RFP. The Proposal was later modified by Contractor’s “Best and Final Offer” on ____________, 20____.

Based on the foregoing Recitals, and for other valuable consideration, the parties agree as follows:

AGREEMENT

ARTICLE I
TERM
A. INITIAL TERM

The Contract shall commence as of the Effective Date and remain in effect until ____, unless otherwise terminated in accordance with this Contract ("Initial Term" or "Term").

C. CONTRACT EXTENSION

Without renewing the Term of this Contract, UNLV shall have the right to extend this Contract for up to ninety (90) calendar days from its expiration date of the then applicable Term for any reason. Should UNLV exercise its right to extend this Contract for ninety (90) days beyond the expiration of this Contract, Contractor shall be entitled to receive consideration as provided for in this Contract, pro-rated for the period for which UNLV requests additional services.

ARTICLE II
SCOPE OF CONTRACT

Contractor shall provide the following services as further described in Exhibit A, ("Services" which shall include any applicable Deliverables).

In the event of conflict among any of the terms and conditions set forth in any of preceding documents, the terms and conditions of such documents shall govern in the following order of precedence: (1) this Contract, (2) the RFP, (3) Contractor's Best and Final Offer, This Contract, together with all attachments, addenda, and exhibits, the RFP, the Contractor's Best and Final Offer (including all modifications, but not including any legal terms and conditions), and the Proposal (including all modifications, but not including any legal terms and conditions) constitutes the entire agreement between the parties and supersedes all previous agreements, whether written or oral between the parties with respect to the subject matter hereof, whether express or implied and shall bind the parties unless the same be in writing and signed by the parties. The parties further understand and agree that the other party and its agents have made no representations or promises with respect to this Contract, except as in this Contract expressly set forth. In the event of conflict among any of the terms and conditions set forth in any of the preceding documents, the terms and conditions of such documents shall govern in the following order of precedence: (1) this Contract, (2) the RFP, (3) Contractor's Best and Final Offer (including all modifications, but not including any legal terms and conditions), and (3) (4) the Proposal (including all modifications, but not including any legal terms and conditions). Contractor agrees to be bound by any warranties and representations made by Contractor in the Proposal and shall notify UNLV immediately if there are any material changes to the warranties and representations set forth by Contractor in its Proposal, as applicable.

UNLV may, at its sole option, develop additional job-specific scopes of work ("Scopes of Work" or "SOW"). In the event that UNLV elects to request additional services from Contractor, additional scope, schedule, and compensation will be negotiated with Contractor. Nothing in this Contract shall be construed as guaranteeing Contractor that any additional Scopes of Work will be actually requested.

ARTICLE III
CONSIDERATION

The amount to be paid to Contractor for work performed under this Contract shall be ________.
Except as expressly provided for herein, all Contractor prices are inclusive of expenses.

In the event that UNLV requests additional services from Contractor during the Term of this Contract or during any allowable Renewal Term(s), payments shall be made as agreed to between Contractor and UNLV, but in no case will payments for such additional services be made until such services are performed and accepted by UNLV. Any such payments and any such payment schedules shall be as negotiated between UNLV and Contractor prior to the commencement of any work or Services.

Prices are to remain firm for the Initial Term of this Contract. In the event Contractor would like to request a price increase the following procedures apply.

1) Contractor should send a written notice requesting an increase a minimum of ninety (90) calendar days prior to the expiration of the then current Contract Term.
2) Contractor should submit with the request, supporting documentation which may include updated manufacturer’s list prices, copies of applicable indexes, etc. Other documentation may be required.
3) Any allowable price increases will take effect at the beginning of the new Contract Term.
4) UNLV alone shall determine whether a price increase will be allowed for the applicable Renewal Term, but in no event shall any Renewal Term unit prices for any Services or materials increase by more than five percent (5%) above the price of the proceeding Term.
5) In the event of a decrease, Contractor is responsible for passing along the savings to UNLV.

All payments shall be made within thirty (30) days of acceptance of the related invoice. Should the acceptance of such invoices be in doubt, Contractor shall not be due any interest or penalty on any unpaid amounts.

ARTICLE IV
DEFAULT

A. DEFAULT BY CONTRACTOR

UNLV shall provide Contractor written notice of any material breach of this Contract. Should Contractor fail to cure such material breach within ten (10) business days following receipt of written notice, UNLV shall have the right at its sole discretion, in addition to all other applicable remedies at law or in equity, to terminate further performance of this Contract. On the effective date of the termination, Contractor shall terminate all work and take all reasonable actions to mitigate expenses, and Contractor shall immediately refund UNLV a pro-rata amount of any advance or prepaid unearned monies. In case of default by Contractor, the UNLV reserves the right to hold Contractor responsible for any actual, consequential, or incidental damages.

B. DEFAULT BY UNLV

Contractor shall provide UNLV written notice of any material breach of this Contract. Should UNLV fail to cure such material breach within ten (10) business days following receipt of written notice, Contractor shall have the right, in addition to all other applicable remedies at law or in equity, to terminate further performance of this Contract. Notwithstanding the foregoing, on the date of termination for a material breach by UNLV, Contractor shall terminate all work and take all reasonable actions to mitigate expenses. Notwithstanding anything to the contrary herein
and regardless of choice of law, UNLV hereby asserts and shall be entitled to claim sovereign immunity and be entitled to all applicable liability limits and statutory protections, including, but not limited to those set forth in NRS Chapter 41.

Contractor hereby grants, sells, assigns, and transfers unto UNLV, its successors, and assigns, all and any of Contractor’s interest, right, title, and other intellectual property rights without limitation in and to the Deliverable(s), as well as the right to secure and renew any applicable copyrights in the original and in all derivative works in the United States and all other countries of the world, the right to redistribute the Deliverable(s) in any form and the right to sue for past, present, and future infringement of such rights, in the name of UNLV. If, for any reason, the Deliverable(s) are not deemed to be a “work made for hire,” this Contract shall operate as an irrevocable assignment of all rights thereto to UNLV, its successors, and assigns. And if for any reason the Deliverables are not designated as an assignment or a “work made for hire” then Contractor grants to UNLV, its successors, and assigns, a perpetual, exclusive, royalty-free, license to use, copy, make, and redistribute the Deliverable(s) throughout the universe.

M. TAXES, LICENSES AND PERMITS

It is the Contractor’s responsibility to secure all required licenses, permits, franchises, lawful authority and insurance necessary for the proper execution and completion of the Services to be performed hereunder. Contractor warrants and agrees that it is, and shall remain for the duration of this Contract, a duly organized, validly existing entity, in good standing, with all the requisite power, permissions, licenses, permits, franchise, insurance and authorities necessary to provide the goods and/or Services. P.  WAIVER

A failure or delay of either party to enforce at any time any of the provisions of this Contract shall not be construed to be a waiver of a party's right to enforce strict compliance of such provisions(s) of this Contract.

Q. SMALL AND LOCAL BUSINESS CONCERNS REPORTING REQUIREMENTS

1) UNLV supports equal opportunity for minority owned, women-owned, and other small disadvantaged business concerns ("MWDBE") to compete for contracts awarded by UNLV. UNLV also supports efforts to encourage local businesses to compete for UNLV contracts. In some situations, MWDBE and local business concerns may not have the depth or full capability to meet all the requirements of large contracts. Nevertheless, UNLV supports finding opportunities for such MWDBE and local business concerns to participate as Subcontractors or Tier 2 suppliers in large contracts.

2) If the purchase of goods or Services is anticipated to exceed $1,000,000 at any time during the life of the Contract, Contractor must provide, at a minimum, annual reports listing expenditures with MWDBE and Local Business Enterprises (as defined below).    a) The name, city and state; type of Tier 2 status (local, women owned, minority/and or disadvantaged or Local Business Enterprise); and any certification of such status including the entity granting the certification if applicable. If a business concern meets more than one definition (e.g. local and women-owned, or minority and women owned), that should be identified;

   b) A description of the goods or services purchased; and

   c) The amount of expenditures with the Subcontractor attributed to the prime Contract for the most recent completed fiscal year (July 1 through June 30).

Any governmental, state, or public entity within the State of Nevada may utilize this Contract at its option to obtain goods or services at the agreed upon price(s) throughout the term of the resulting contract with the authorization of Contractor. NSHE/UNLV is not liable for the obligations of the governmental entity which joins or uses the resulting contract.

Reports may include, but are not limited to: sustainable attributes of each product or service, the dollar and percentage amount spent on sustainable or environmentally preferred products and services, and the total amount spent by UNLV.

a) All electronic equipment UNLV purchases must be Energy Star rated (or, if there is no Energy Star rating for the desired equipment, energy efficient models or substitutes are preferred). The requirement to purchase Energy Star rated equipment will improve UNLV's energy and financial performance while distinguishing our institution as an environmental leader.
