Executive Assessment (EA)
The Executive Assessment is specifically designed to evaluate business school readiness of seasoned professionals. The assessment focuses on skills that are necessary both at work and in an EMBA program: higher order reasoning, critical thinking, analysis, and problem-solving. Because it was designed specifically for experienced professionals, it requires modest preparation, takes only 90 minutes to complete, and includes flexible rescheduling options. The test is administered by the Graduate Management Admission Council (GMAC), creators of the GMAT® exam. Learn more about the Executive Assessment by visiting GMAC.COM/EA.

Please note, there is no minimum EA score required for admission, these scores are just one of several factors that we use to make admissions decisions. The entire application is reviewed to understand the candidate, with no single factor determining admittance.

Graduate Management Admission Test (GMAT) and Graduate Record Examinations (GRE)
The Executive MBA also accepts the GMAT or GRE exam. Please call (702) 895-2628 to discuss.

Letters of Recommendation – Use UNLV Forms

- Letter of Corporate Sponsorship - Letter of recommendation from your organization demonstrating their support and commitment to your attendance in the EMBA program. Class days are typically every other Friday and Saturday.

- Personal Recommendation Letter – At least one letter from an individual who can evaluate your potential for success in a graduate degree program.

Personal Interview
After each deadline date, applicants from that round will be contacted to schedule a personal interview. Please set aside 90 minutes for this meeting.
