

2021-2022 Loan Credit Proration Form

A. Student Information

Last Name: _____ First Name: _____ MI: _____
NSHE ID: _____

B. Course Information

Federal Regulations require that Federal Direct Stafford Loans must be prorated under two circumstances:

- When a student's academic program is shorter than an academic year; or
- When a student's remaining period of study is shorter than an academic year (e.g., a student is graduating after the fall semester and will not be enrolling in spring).

Per the information on file, you meet one of the above circumstances and are required to prorate your loan based on the number of credits you will be taking. If you are not graduating during the semester you have indicated, you will need to contact the UNLV Office of the Registrar (SSC-C) to request a change to your expected graduation date.

Please list below the courses you will be enrolled in during the last semester of your undergraduate career at UNLV, and be sure to mark the one semester below that you will be attending during the 2021-2022 academic year. If you will be attending multiple semesters, you do not need to complete this form but must contact the UNLV Office of the Registrar (SSC-C) as indicated above to update your graduation date.
