

2021 Summer Private Loan & Updates Form

Important: Pursuant to Section 155 of the Higher Education Act (HEA) of 1965, as amended, and to satisfy the requirements of Section 128(e)(3) of the Truth in Lending Act, a lender must obtain a self-certification signed by the applicant before disbursing a private education loan. The school is required on request to provide this form or the required information only for students admitted or enrolled at the school. Throughout this Applicant Self-Certification, “you” and “your” refer to the applicant applying for the loan. The applicant and the student may be the same person.

Please only submit this form after you have finalized your summer enrollment. If your class schedule changes, you may impact your financial aid eligibility or delay disbursement. You’re responsible for fee payment by the deadlines based on your UNLV summer term, even if your application for summer financial aid has not been processed.

Complete this form in its entirety and submit it through the Self-Service Help Center at unlv.today/service by the date below that matches your earliest session of enrollment. Adhering to the priority deadline ensures that the UNLV Financial Aid & Scholarships Office will review your application, and you will receive notification of your summer financial aid eligibility before the payment deadline. All forms received after the appropriate date will still be accepted and reviewed, but financial aid may not be in place before payment is due.

Cost of attendance is an estimate of tuition and fees, room and board, transportation, and other costs for the period of enrollment covered by the loan, as determined by the school. A student's cost of attendance may be obtained from the UNLV Financial Aid & Scholarships Office.

Estimated financial assistance is all federal, state, institutional (school), private, and other sources of assistance used in determining eligibility for most Title IV student financial aid, including amounts of financial assistance used to replace the expected family contribution. The student's estimated financial assistance is determined by the school and may be obtained from the UNLV Financial Aid & Scholarships Office.

A **lender** is a private education lender as defined in Section 140 of the Truth in Lending Act and any other person engaged in the business of securing, making, or extending private education loans on behalf of the lender.

A **period of enrollment** is the academic year, the academic term (such as a semester, trimester, or quarter), or the number of weeks of instructional time for which the applicant is requesting the loan.

A **private education loan** is a loan provided by a private education lender that is not a Title IV loan and issued expressly for postsecondary education expenses, regardless of whether the loan is provided through the school that the student attends or directly to the borrower from the private education lender. A private education loan does not include **(1)** An extension of credit under an open-end consumer credit plan, a reverse mortgage transaction, a residential mortgage transaction, or any other loan that is secured by real property or a dwelling; or **(2)** An extension of credit in which the school is the lender if the term of the extension of credit is 90 days or less or an interest rate will not be applied to the credit balance and the term of the extension of credit is one year or less, even if the credit is payable in more than four installments.

Title IV student financial aid includes the Federal Pell Grant Program, the Academic Competitiveness Grant (ACG) Program, the Federal Supplemental Educational Opportunity Grant (FSEOG) Program, the Leveraging Educational Assistance Partnership (LEAP) Program, the Federal Family Education Loan Program (FFELP), the Federal Work-Study (FWS) Program, the William D.
