ASSOCIATE IN ENGINEERING (111390)

Posting ID: 
Company: National Security Technologies, LLC
Position Type: Summer Internship
College Major(s): Any Engineering

Company Website: www2.nstec.com
Work Location: Mercury, NV
Salary: n/a
College Level(s):

RESPONSIBILITIES
Perform technical evaluations (under supervision) for projects in the procurement process to ensure that the vendor is in compliance with NSTec requirements. Review all applicable Regulatory requirements that affect the operations of Fleet Fuel & Equipment (FF&E) to ensure compliance with any new standards and update Operating Procedures as needed to comply. Supply engineered drawings or calculations, as needed, for any projects requiring such. Perform emissions tests, as needed, on underground diesel equipment. Perform other engineering related tasks as needed. Accept individual responsibility and accountability for environment, safety, health, and quality processes within personal control, personal safety, and the safety of co-workers. Comply with established regulations and procedures for environment, safety, health, and quality and perform duties in a way that will not cause personal danger, endanger other individuals, or violate environment, safety, health, and quality regulations. Promptly correct or report any hazard or potential hazard to supervision. Understand the principles associated with the National Security Technologies, LLC (NSTec) safety concept. Participate in and embrace NSTec environment, safety, health, and quality initiatives.

QUALIFICATIONS
Completion of the first year of a Bachelor’s degree program in a calculus-based Science, Technology, Engineering & Mathematics (STEM) field at an accredited college or university and be actively enrolled. Should have strong computer skills in relation to understanding and working with databases. Strong, independent work ethic. Willing to work in a dynamic fleet equipment environment. Strong attention to detail. Comfortable and knowledgeable using Microsoft Word, PowerPoint, and Excel. Applicant selected will be subject to a Federal background investigation.

For Consideration:
Apply by forwarding your resume, with identifying requisition number(s), using one of the following methods:
