STATEMENT OF PURPOSE

The purpose of this policy is to ensure that the university's graphic standards, the use of UNLV's logo, wordmarks, official colors, and trademark licensing procedures, are always adhered to in order to protect and reinforce UNLV's identity and leverage the strength of the university's brand through consistent usage.

ENTITIES AFFECTED BY THIS POLICY

All UNLV units, student organizations, and employees are affected by this policy.

WHO SHOULD READ THIS POLICY

All UNLV employees must read, understand, and comply with this policy.

POLICY

1. The UNLV logo is trademarked and may not be modified in any way, including changing its proportions (stretching, compressing), or embellishing it (including shadows, outlines, new elements).
2. The university has one official logo, which combines with the names of individual colleges, departments, research centers, and administrative units to form a “signature,” in accordance to UNLV graphic standards.

3. The UNLV logo, with its family of unit marks, is a coherent system that builds on tradition while displaying unit names in a prominent and attractive way. Departments and other UNLV organizations should not build their own logos or graphic identities. If you have questions about this policy, please contact Reprographics/Design Services.

4. UNLV’s official colors are scarlet and gray. In the Pantone Matching System, the correct color designations are PMS 186 for scarlet and PMS 423 for gray. The UNLV Identity website provides specifications for electronic display, http://www.unlv.edu/identity.

5. The university seal can only be used by the Office of the President and on official documents such as diplomas and certificates.

6. The UNLV mascot “Hey Reb!” is used to promote university athletics and to generate school spirit. Use of the “Hey Reb!” mascot requires approval of the Department of Athletics marketing team. The mascot should not be used to promote academic or administrative programs or units.

7. Any use of UNLV logos or trademarks by vendors or third parties (whether commercial or noncommercial) must go through the appropriate trademark licensing program or legal contract process.
