

Debra L. Martin

Distinguished Professor of Anthropology
Dept. Anthropology, University of Nevada, Las Vegas

(702) 895-1881
E-mail: debra.martin@unlv.edu

Education

- 1984-1987 Post-Doctoral Training in Skeletal Biology (NIH Awardee) Endocrinology and Metabolism, University of Connecticut Medical School (1 year) Nutrition Sciences; University of Massachusetts, Amherst (2 years)
- 1983 MA/PhD Biological Anthropology, University of Massachusetts, Amherst.
Dissertation: *Paleophysiological Aspects of Bone Remodeling in the Meroitic, X-Group, and Christian Populations from Sudanese Nubia*, Dis. Abstract Int. 44(10):238

Research Interests

Violence Studies: Origin and evolution of violence and inequality, masculinities and violence, gendered violence, archaeology of death, paleopathology and health in past populations,

Contemporary Health: Histories of violence against women, health in indigenous communities, Native American health, US-Mexico border health, globalization and health, climate change and health, injury recidivism and traumatic brain injury (TBI)

Field work: American Southwest (Arizona, Colorado, New Mexico), Mexico (north and central), Southwest Asia (UAE), northern Africa (Egypt and Sudan)

Professional History

- 2018 Distinguished Professor of Anthropology
- 2012-2017 Lincy Professor of Anthropology, University of Nevada, Las Vegas
- 2007-2012 Professor, Dept. of Anthropology, University of Nevada, Las Vegas
- 2007-2010 Chair, Dept. of Anthropology, University of Nevada, Las Vegas
- 1996-2006 Professor, Anthropology, Hampshire College, Amherst MA
- 1999-2002 Dean, School of Natural Science, Hampshire College, Amherst MA
- 1995-1997 Assoc. Dean of Advising and Acting Dean of Students, Hampshire College, Amherst
- 1990-2006 Anthropology Graduate Faculty, University of Massachusetts, Amherst MA
- 1987-1996 Associate Professor, Biological Anthropology, Hampshire College, Amherst MA
- 1981-1987 Assistant Professor, Biological Anthropology, Hampshire College, Amherst MA

Supervised PhDs

- UMASS Graduated: Pamela Stone (1990), Ventura Perez (1995), Janet Cope (1995), Jamie Edwards (2005)
- UNLV Graduated: Animikha Dutt (2012), Ryan Harrod (2013), Anna Osterholtz (2015), Kathryn Baustian (2015), Cheryl Anderson (2017), Caryn Tegtmeyer (2017), Amber Osterholtz (2018). ABD: Alecia Schrenk, Mark Toussaint, Cristina Tica.

Awards, Honors, Editorships

2019 UNLV Academic Graduate Advisor Award
 2018 UNLV Distinguished Professor Award
 2018 UNLV Faculty Mentoring Fellow
 2018 UNLV Graduate College Faculty Fellow Award
 2016 UNLV Graduate College Excellence Award for Graduate Mentoring
 2015 Harry J. Reid Silver State Distinguished Research Award
 2015 American Anthropological Assoc./Oxford U. Press Award for Excellence in Teaching
 2014 UNLV Barrick Distinguished Researcher Award
 2013 UNLV GPSA Mentoring Award
 2012 UNLV Lincy Professorship
 2012 Editor, *Bioarchaeology and Social Theory* book series, Springer
 2014 Editor, *KIVA: The Journal of Southwestern Anthropology and History*
 2006 Co-Editor, *International Journal of Osteoarchaeology*
 2004 NSF Senior Review Board, Physical Anthropology
 2000 American Association of Physical Anthropology (AAPA) Lifetime Member

Invited Keynote or Distinguished Lectures

2019 The Armelagos-VanGerven-Kelso Distinguished Lecture – Univ. Colorado, Boulder
 2018 The Archaeological Research Center Winter Talk, UC-Santa Cruz
 2017 The William Mulloy Distinguished Lecture, University of Wyoming
 2017 The George Armelagos Lecture in Biocultural Anthropology, University of Massachusetts
 2017 The BAS/AAA Distinguished Lecture, Washington DC
 2015 The George Armelagos Distinguished Lecture, Emory University
 2010 Sigma Xi Distinguished Public Lecturer

National Service

American Association of Anthropology (AAA) Executive Program Committee (2016-2018); Executive Board, Secretary (2009-2013); Member, Long Range Planning Committee (2007-2009); Member BAS Executive Committee and Program Chair (2008-2011); AAA Executive Program Committee (2000-2003); AAA Nominations Committee (2000-2003); BAS secretary-treasurer (1997-1999); AFA Board Member (2000-2003); BAS Newsletter Editor (1995-1997); BAS Program Chair (1993-1995); BAS Member-at-Large (1991-1993); BAS Program Chair and Executive Committee (2009-2012)
 Sigma Xi, Fellow, The Scientific Research Society, Member

Field and Lab Research Sites and Projects

2016-present Belén Plaza Vieja Preservation Project: Excavation, Preservation, and Conservation of a Historic Genízaro Community (co-PI with Ventura Perez and Pamela Stone)
 2013-present Collaboration with Clark County Coroner's Office (Forensic): Broken Bodies, Broken Bones: Injury Recidivism and Violence in Southern Nevada
 2013-2016 Field Project: Casas Grandes, Mexico (co-PI). Analysis of trauma
 2007-2016 Hall of Columns, La Quemada, Zacatecas (PI Ventura Perez and Andrew Darling)
 2006-2008 Virgin Anasazi/Lost City Project, co-PI on NAGPRA repatriation project
 2004-2007 Ixilco el Grande and Emiliano Zapato, Morelos, Mexico, NSF project on nutrition

2000-2002	Hopi Reservation. Bone density, diet and health of Hopi women, Arizona
2003-2007	United Arab Emirates, curriculum development University of Al Ain
1992-1997	United Arab Emirates, Excavation and skeletal analyses (Tell Abraq)
1997-2006	Zacatecas Bioarchaeology Project, Zacatecas, Mexico. Senior Bioarchaeologist
1998-2008	American Museum of Natural History, New York City, Southwest Human Remains
1996-present	Crow Canyon Archaeological Center. Research Associate.
1995-1996	Mesa Verde National Park. Analysis of skeletal remains; NAGPRA compliance
1995-1998	Egypt Analysis of skeletal remains from Nubia, Cairo
1993	Las Animas/Ridges Basin Project. Analysis of skeletal remains; NAGPRA compliance

Publications – Books

Since 2006 at UNLV: Co-authored Books (3), Co-edited Volumes (8) and Guest Edited Special Issue Journals (2) * = UNLV PhD

In press	Tica* C and DL Martin (editors) <i>Bioarchaeology of Frontiers and Borderlands</i> , University Press Florida, Gainesville
2018	Anderson* C and DL Martin (editors) <i>Massacres: Bioarchaeology and Forensic Anthropology Approaches</i> University Press Florida, Gainesville
2017	Tegtmeyer* C and DL Martin (editors) <i>Broken Bodies, Broken Bones: Bioarchaeological and Forensic Approaches to Violence: The Accumulative Effects of Repeated Trauma and Violence</i> Lexington Books, Rowman and Littlefield, NYC
2017	Martin DL and C Tegtmeyer* (editors) <i>Bioarchaeology of Women and Children in Times of War: Case Studies from the Americas</i> Springer, NYC
2016	Zuckerman, MK and DL Martin (editors) <i>New Directions in Biocultural Anthropology</i> Wiley Blackwell, NYC
2015	Martin DL and AJ Osterholtz* <i>Bodies and Lives: Health in America Before Columbus</i> , Routledge, NYC
2014	Osterholtz*, AJ, KM Baustian*, DL Martin (editors) <i>Commingled and Disarticulated Human Remains</i> Springer, NYC
2014	Crandall* J and DL Martin (guest editors) Special Issue <i>Post Mortem Agency: Bioarchaeology and Social Theory</i> <i>Cambridge Archaeology Journal</i> 24(3), pp. 523+
2014	Harrod* RP and DL Martin <i>Bioarchaeology of Climate Change and Violence: Ethical Considerations</i> . Springer, NYC
2014	Martin DL and C Anderson* (editors) <i>Bioarchaeological and Forensic Perspectives on Violence: How Violent Death is Interpreted from Skeletal Remains</i> . Cambridge University Press, Cambridge
2013	Martin DL, RP Harrod* and VR Perez* <i>Bioarchaeology, An Integrated Approach to Working with Human Remains</i> , Springer, NYC

- 2012 Martin DL and RP Harrod* (guest editors) Special Issue *Body Parts and Parts of Bodies: Traces of Violence in Past Cultures. International Journal of Paleopathology* Volume 2 (Issues 3 & 4)
- 2012 Martin DL, RP Harrod* and VR Perez* (editors) *Bioarchaeology of Violence* University Press Florida, Gainesville
- 2001 Martin DL, NJ Akins, AH Goodman, W Toll and AC Swedlund *Harmony and Discord: Bioarchaeology of the La Plata Valley*. Santa Fe: Museum of New Mexico Press PDF available <http://www.nmarchaeology.org/assets/files/archnotes/242.pdf>
- 1997 Martin DL and D Frayer (editors) *Troubled Times: Evidence for Violence and Warfare in the Past* New York: Gordon and Breach (War and Society Series Volume VI). Reissued with Routledge; 1st edition (February 1, 1998)
- 1991 Martin DL, AH Goodman, GJ Armelagos and AL Magennis. *Black Mesa Anasazi Health: Reconstructing Life from Patterns of Death and Disease*. Carbondale: Southern Illinois University Press
- 1984 Goddard N and DL Martin (guest editors). Special Issue *Teaching About Culture and Reproduction, Women's Studies Quarterly* Vol. XII(4)
- 1981 Martin DL and MP Bumsted (editors) *Biocultural Adaptation: Comprehensive Approaches to Skeletal Analyses*, Amherst, Mass. Department of Anthropology Research Report No. 20

Publications – Journal Articles & Book Chapters

pr = peer reviewed, *=UNLV PhD

- 2018pr Martin DL and AJ Osterholtz* The Poetics of Corpse Fragmentation and Process in the Ancient Southwest. In: *The Poetics of Processing: Memory formation, Cosmology and the Handling of the Dead*. University of Colorado Press, Pgs.
- 2018pr Martin DL, K Baustian* and AJ Osterholtz* The Tomb at Tell Abraq (c.2100-2000 BCE): Demographic Structure and Mortuary Complexity. In: *Bioarchaeology in the Ancient Near East* L Gregorica and K Williams, eds. University Press Florida, Gainesville, Pgs.
- 2017pr Harrod* RP, DL Martin and M Fields* Across a Spectrum of Inequality: Hierarchy, Health and Culturally Sanctioned Violence in the Pre-Contact U.S. Southwest. In: *Bones of Complexity: Global Perspectives on the Bioarchaeology of Social Organization*, HD Klaus, AR Harvey and MN Cohen, editors. University Press of Florida, Gainesville Pp. 363-386
- 2017pr Tegtmeier* C, DL Martin and W Gazza Homicide in Sin City: Patterns of Violence Death and Injury Recidivism in Clark County, NV. In: Tegtmeier*C and DL Martin (editors) *Broken Bodies. Broken Bones: Bioarchaeological and Forensic Approaches to Violence: The Accumulative Effects of Repeated Trauma and Violence* Lexington Books, Rowman and Littlefield, NYC. Pp. 201-2016

- 2016 Martin DL and AJ Osterholtz* Introduction. In: *Theoretical Approaches to Analysis and Interpretation of Commingled Remains*. AJ Osterholtz*, editor. Springer, NYC. Pp. 1-4.
- 2016pr Schrenk A*, LA Gregoricka, DL Martin DL and DT Potts Differential diagnosis of a progressive neuromuscular disorder using bioarchaeological and biogeochemical evidence from a bronze age skeleton in the UAE. *International Journal of Paleopathology* 13:1-10
- 2016pr Schrenk A*, DL Martin Applying the Index of Care to the Case Study of a Bronze Age Teenager Who Lived with Paralysis. In: *New Developments in the Bioarchaeology of Care*, L Tilley, L and A Schrenk*, editors. Springer, NYC. Pp. 47-64.
- 2016pr Martin DL and RP Harrod* The Bioarchaeology of Pain and Suffering: Human Adaptation and Survival During Troubled Times. In: *Archaeology of the Human Experience*, M Hegmon, editor. Archaeological Papers of the American Anthropological Association No. 27. Pp. 161-174

- 2016 Tegtmeier* C and DL Martin Patterns of Violent Crime and Injury Recidivism in Southern Nevada. **Poster Presentation** American Association of Physical Anthropology [American Journal of Physical Anthropology](#)

- 2016 Anderson* C and DL Martin Blood in the Villages: Situating Massacres with Broader Social Processes. **Poster Presentation** American Association of Physical Anthropology American Journal of Physical Anthropology
- 2016 Anderson* C and DL Martin **Co-organizer and Co-Chaired Symposium** Annual Meeting of the American Association of Physical Anthropologists. Blood in the Villages: Situating Massacres within Broader Social Processes
- 2014 Martin, DL and C Tegtmeier* **Co-organizer and Co-Chaired Symposium** 112th Annual American Anthropological Association Meetings in Washington DC, Dec. 2-5. "On the Battlefield of Women and Children's Bodies: The Effects of Warfare"
- 2013 Martin, DL Excavating Method, Theory and Data: Bringing Together Bioarchaeology and Social Theory. **Poster Presentation** American Association of Physical Anthropology, April 3-5, Nashville TN. American Journal of Physical Anthropology 150:190-191
- 2012 Martin, DL Raiding as Ritual, women as Commodity: the Dangers of Being a Female Captive **Invited Paper Presentation and Participant** 28th Annual Center for Archaeological Investigation Visiting Scholar Conference "The Archaeology of Slavery: Toward a Comparative, Global Framework" Southern Illinois University, Carbondale, IL March 30-31
- 2012 Martin, DL Why Bioarchaeology Needs Forensic Archaeology **Invited Paper Presentation and Discussant** School for Advanced Research Advanced Seminar "Disturbing Bodies: A Relational Exploration of Forensic Archaeological Practice" Santa Fe, NM March 25-29.
- 2012 Martin DL, Harrod RP Bioarchaeology of Pueblo Conflict: Taking an Historical Ecology Approach to Interpersonal Conflict and Violence **Poster Presentation** 13th Southwest Symposium Jan 14-15, Albuquerque NM
- 2012 Martin, DL, Harrod*, RP Bioarchaeological Evidence for Women As Perpetrators of Interpersonal Violence. **Invited Paper Presentation** in Crossing Borders: Expanding the Anthropological Literature on Gender-based Violence(AAA Executive Program Committee). 111th Annual American Anthropological Association Meetings in San Francisco, Nov 13-18.
- 2012 Martin, DL, Crandall* JJ, Blurring the Borders Between Life and Death: Theorizing Postmortem Agency **Co-Organized and Co-Chaired Symposium** 111th Annual American Anthropological Association Meetings in San Francisco, Nov 13-18.
- 2012 Crandall*, JJ, Harrod, RP, Martin, DL Violent Death and the Narration of the Wild West: A Bioarchaeological Deconstruction. **Invited Paper Presentation**. In Blurring the Borders Between Life and Death: Theorizing Postmortem Agency, 111th Annual American Anthropological Association Meetings in San Francisco, Nov 13-18.
- 2012 Hammond*, KM, Thompson, JL, Martin, DL Gifts From the Living to the Dead: Animistic Practices In Ancient Thailand **Paper Presentation** 111th Annual American Anthropological Association Meetings in San Francisco, Nov 13-18.

- 2012 Harrod*, R and DL Martin **Invited Paper Presentation** Murder, Sacrifice or Veneration? Reconstructing the Identities of the victims of Lethal violence Interred in Room 33. 81st Annual Meeting of American Association of Physical Anthropologists, Portland, OR April 11-14 Abstract published in American Journal of Physical Anthropology Vol. 147 (Issue Supplement):160
- 2012 Martin, DL, Anderson*, C. Bioarchaeological and Forensic Case Studies of Violence: Reconstructing Context and Meaning, Invited Poster Session **Co-Organized and Co-Chaired Panel** . 81st Annual Meeting of American Association of Physical Anthropologists, Portland, OR April 11-14
- 2012 Anderson*, CP, Martin, DL, Thompson JL Performative Violence in the Late Prehistoric Northern Mexico. **Invited Paper Presentation** 81st Annual Meeting of American Association of Physical Anthropologists, Portland, OR April 11-14 Abstract published in American Journal of Physical Anthropology Vol. 147 (Issue Supplement):84
- 2012 Martin, DL, Nelson, BA, Perez*, VR Complexity in Cutmarks, Burning and Breakage of Human Bones at La Quemada: Distinctive Patterns from Different Contexts. . **Invited Paper Presentation** 81st Annual Meeting of American Association of Physical Anthropologists, Portland, OR April 11-14 Abstract published in American Journal of Physical Anthropology Vol. 147 (Issue Supplement):205
- 2012 Baustian*, KM, Martin DL, Harrod RP, Osterholtz AJ Injury Recidivism, Trauma and Pathology in the Multi-Ethnic Community at Grasshopper Pueblo (AD 1275-1400). **Invited Paper Presentation** 81st Annual Meeting of American Association of Physical Anthropologists, Portland, OR April 11-14 Abstract published in American Journal of Physical Anthropology Vol. 147 (Issue Supplement):92
- 2012 Osterholtz*, A, K Baustian and DL Martin **Co-Organized Panel** Commingled and Disarticulated Human Remains: Working Towards Improved Theory, Method and Data. 77th Annual Meeting Society for American Archaeologists Memphis TN
- 2012 Osterholtz*, AJ, Baustian*, KM, Martin, DL, Potts DT **Paper Presentation** Commingled Human Skeletal Assemblages: Integrative Techniques in Determination of the MNI/MNE from Tell Abraq. 77th Annual Meeting Society for American Archaeologists Memphis TN
- 2012 Anderson*, CP, Baustian, KM , Martin DL. Sex Estimation and Pathology in the Second Cervical Vertebrae from Bronze Age Tell Abraq, UAE. **Poster Presentation** Paleopathology Association Annual Meetings, Memphis, TN
- 2012 Crandall, JJ, Martin DL, Thompson, JL **Poster Presentation** Infantile Scurvy: A Novel Case Study from Pre-Columbian Mexico. Paleopathology Association Annual Meetings, Memphis, TN
- 2011 Harrod* RP, Osterholtz*, A and DL Martin **Co-Organizer and Co-Chairs**, The Dead Don't Bury Themselves: Taphonomy as a Tool to Understand Violence and Sex in the Past. 76th Annual Meeting Society for American Archaeology, Mar 30-April 3, Sacramento
- 2011 Crandall*, J, DL Martin and J Thompson **Poster Presentation** Reconstructing Taphonomy at La Cueva de los Muertos Chiquitos. 76th Annual Meeting Society for American Archaeology, Mar 30-April 3, Sacramento

- 2011 Kuckelman, KA and DL Martin **Poster Presentation** Taphonomy and Warfare in the Mesa Verde Region. 76th Annual Meeting Society for American Archaeology, Mar 30-April 3, Sacramento
- 2011 Dutt*, A and DL Martin **Invited Paper Presentation** 3D Radiographic Imaging of 4000 Year Old Human Skeletal Remains from Tell Abraqu. World Molecular Imaging Congress Sept. 7-10 San Diego, CA
- 2011 Martin, DL and R Harrod* **Co-Organizer and Co-Chair**, Body Parts and Parts of Bodies: The Traces of Violence in Cultures in Conflict. 110th American Anthropological Association, November 14-20, Montreal
- 2011 Fields*, M, DL Martin and RP Harrod* **Invited Paper Presentation** Measuring Misery: Nonlethal Violence and Injury Recidivism in the Lives of Servants and Slaves. Traces of Violence and Legacies of Conflict Panel. 110th American Anthropological Association, November 14-20, Montreal
- 2011 Martin, DL and R Harrod* **Paper Presentation**. A Bioarchaeological Perspective on Violence Against Women. Invited participant, The Scars of Human Evolution Panel, 110th American Anthropological Association, November 14-20, Montreal
- 2011 Anderson* C and DL Martin **Paper Presentation** The Victim's Viewpoint: Combining Skeletal Research with Ethnographic Evidence. 110th American Anthropological Association, November 14-20, Montreal
- 2011 Crandall*, J, DL Martin and J Thompson **Paper Presentation** Beyond Victims: Exploring the Meaning of Sacrificed Infants at La Cueva de los Muertos Chiquitos, Durango, Mexico (AD 600-1400). 110th American Anthropological Association, November 14-20, Montreal
- 2011 Baustian*, K and DL Martin **Paper Presentation** Battered and Abused: Analysis of Increased Violence at a Large, Multi-Ethnic Mogollon Site. 110th American Anthropological Association, November 14-20, Montreal
- 2011 Timm*, MB and DL Martin **Poster Session** Bringing Bones to Life: Combining Ethnohistoric Documents with Bioarchaeology. 110th American Anthropological Association, November 14-20, Montreal
- 2011 Thompson, JL and DL Martin **Invited Paper Presentation** The Lady from Pahrump: Her Story, Our Story Her People's Story. The Social Lives of Bones-Stories of collection, Curation and Repatriation Panel. 110th American Anthropological Association, November 14-20, Montreal
- 2011 Crandall*, JR, JL Thompson and DL Martin **Poster Presentation** The Cave of the Dead Children: A Case of Possible Ritual Sacrifice. 80th Annual Meeting of the American Association of Physical Anthropology, April 12-16, Minneapolis MN. Abstract published in American Journal of Physical Anthropology 147 (1):
- 2011 Anderson*, C, DL Martin, JL Thompson and R Brooks **Poster Presentation** Bioarchaeology and Taphonomy of Human Remains from San Francisco de Borja, A Historical Cave Site from Northern Mexico. 80th Annual Meeting of the American Association of Physical Anthropology, April 12-16, Minneapolis MN Abstract published in American Journal of Physical Anthropology 147 (1):

- 2011 Vilos*, J and DL Martin **Poster Presentation** Paleopathology and Extended Care in a Bronze Age Population: Interpreting Severe Expressions of Disease. 80th Annual Meeting of the American Association of Physical Anthropology, April 12-16, Minneapolis MN Abstract published in American Journal of Physical Anthropology 147 (1):
- 2011 Dutt*, A, DL Martin and JL Thompson **Paper Presentation** Preliminary Results of Activity Induced Skeletal Markers on the Proximal Femur from Tell Abraq, UAE. 80th Annual Meeting of the American Association of Physical Anthropology, April 12-16, Minneapolis MN Abstract published in American Journal of Physical Anthropology 147 (1):
- 2011 Timm*, MB and DL Martin **Poster Presentation** Aching Arms: Extreme Enthesopathies (MSMs) from the Proximal Ulna of a UAE Bronze Age Population. 80th Annual Meeting of the American Association of Physical Anthropology, April 12-16, Minneapolis MN Abstract published in American Journal of Physical Anthropology 147 (1):
- 2011 Osterholtz*, A, RP Harrod* and DL Martin **Poster Presentation** Differential Diagnosis of Patellar Pathology: Use-Wear Patterns and Pathology from Tell Abraq (2200-2000BC). 80th Annual Meeting of the American Association of Physical Anthropology, April 12-16, Minneapolis MN Abstract published in American Journal of Physical Anthropology 147 (1):
- 2010 Harrod*, R and Martin D **Co-Organizer and Chair** Bioarchaeological Signatures of Violence and Aggression. The 79th Annual meeting of the American Association of Physical Anthropologists, Albuquerque, NM April 14-17. American Journal of Physical Anthropology 143 (4):
- 2010 Harrod*, R, Lienard, P and Martin, DL. **Paper Presentation**. The Walking Wounded: Mapping Nonlethal Violence on living Turkana Africans to Provide Insight for Bioarchaeological Interpretations. The 79th Annual meeting of the American Association of Physical Anthropologists, Albuquerque, NM, April 14-17. American Journal of Physical Anthropology 143 (4):
- 2010 Martin, DL **Poster Presentation** A View from Black Mesa: Integrating Bioarchaeological Data from Individuals to Hamlets and Regions. The 79th Annual meeting of the American Association of Physical Anthropologists, Albuquerque, NM, April 14-17. Session: The Macro and the Micro: Analytical Scale in Southwestern Bioarchaeology. American Journal of Physical Anthropology 143 (4):
- 2010 Baustian*, K, Martin, DL, Thompson, JT **Poster Presentation** Pre-term, Neonate and Infant Death: Explaining High Infant Mortality in an Otherwise Health and Robust Bronze Age Population. The 79th Annual meeting of the American Association of Physical Anthropologists, Albuquerque, NM, April 14-17. American Journal of Physical Anthropology 143 (4):
- 2010 Thompson, JT and Martin, DL **Poster Presentation**. Looking for Life in Lost City: Limits and Latitudes of Working with Small Samples. The 79th Annual meeting of the American Association of Physical Anthropologists, Albuquerque, NM, April 14-17. American Journal of Physical Anthropology 143 (4):
- 2010 Timm*, MB, Thompson, JT, Martin, DM **Poster Presentation** Paleopathology Association Meetings.

- 2010 Vilos*, J, Martin, DL, Thompson, JT **Poster Presentation** Dental Morphology and Pathologies of Asian Immigrants from Historic Carlin, Nevada. The 79th Annual meeting of the American Association of Physical Anthropologists, Albuquerque, NM, April 14-17. American Journal of Physical Anthropology 143 (4):
- 2010 Lantz, J, Thompson, JT, Martin, DL **Poster Presentation** Molar Crown Variation in *Homo erectus*. The 79th Annual meeting of the American Association of Physical Anthropologists, Albuquerque, NM, April 14-17. American Journal of Physical Anthropology 143 (4)
- 2010 Martin DL and RP Harrod* Inscribed on the Body and Written in the Bones: The Human Debt of Female Captives. **Invited Paper Presentation** American Anthropological Association Panel “Materializing and Embodying Debt” New Orleans
- 2009 Martin, DL **Co-Organizer and Chair Invited** Symposium: Ripped Flesh and Torn Souls: Biological Effects of Captivity and Slavery in Ancient Populations. American Anthropology Association Annual Meeting, Philadelphia, Dec 1-4..
- 2009 Perez*, VP and Martin DL **Paper Presentation** Captives, Cannibals, Warriors and Witches: Unpacking “Violence” in the Ancient Southwest. Symposium: Ripped Flesh and Torn Souls: Biological Effects of Captivity and Slavery in Ancient Populations. American Anthropology Association Annual Meeting, Philadelphia, Dec 1-4..
- 2009 Martin, DL, **Organizer and Chair**: Biological Relevancies: The Entangled Nature of Culture and Biology in Understanding Human Suffering, Disease, Violence and Death. 80th Annual Conference, Southwestern Anthropological Association (SWAA) April 30-May 3, Las Vegas, Nevada.
- 2009 Martin, DL, **Paper Presentation** Ripped Flesh and Torn Souls: The Biological Effects of Captivity. Paper Presented at the 80th Annual Conference, Southwestern Anthropological Association (SWAA) April 30-May 3, Las Vegas, Nevada.
- 2009 Martin, DL, **Invited Plenary Speaker**, Health and Disease in North America Before Columbus, The United States and Canadian Academy of Pathology, Boston, Massachusetts 7-8 March. Paleopathology Club Newsletter No. 117, April (Abstract) <http://www.pathology.vcu.edu/research/paleo/>
- 2009 Thompson, JL, Martin, DL and Potts, DT **Poster Presentation** Baby Death and Baby Teeth: Analysis of Dental Defects in the Deciduous Dentition from Tell Abraq (2300 BC). The 78th Annual meeting of the American Association of Physical Anthropologists, Chicago, Illinois, March 31-April 4, 2009. American Journal of Physical Anthropology Suppl. 48:397
- 2009 Baustian*, KM and Martin, DL. **Paper Presentation** High Infant Mortality in Ancient Arabia: Endemic Infections and Marriage Patterns at Tell Abraq (c. 2300 BC). The 78th Annual meeting of the American Association of Physical Anthropologists, Chicago, Illinois, March 31-April 4, 2009. American Journal of Physical Anthropology Suppl. 48:120
- 2009 Ruzicka*, D., Peterson*, AN, Martin, DL and Potts, DT. **Poster Presentation** Unlocking the Clavicle: Musculoskeletal Stress Markers (MSM) from Tell Abraq, United Arab Emirates (2300 BC). The 78th Annual meeting of the American Association of Physical Anthropologists, Chicago, Illinois, March 31-April 4, 2009. American Journal of Physical Anthropology Suppl. 48:320

- 2008 Martin, DL and Baustian*, K. **Invited Presentation**, Patterns of Mortality and Morbidity in the Commingled Tomb from Tell Abraq. Society for Arabian Studies, Death Burial and the Transition to the Afterlife in Arabia. British Museum, London 27-29 November.
- 2008 Martin, DL. **BAS Invited Session, Organizer and Chair**, Matters of Life and Death: Towards a Physical Anthropology of Inclusion, Collaboration and Engagement. American Anthropology Association Annual Meeting, San Francisco, Nov. 19-23.
- 2008 Martin, DL. **Paper Presentation**, Raiding for Women: Danger, Uncertainty and Suffering. Matters of Life and Death: Towards a Physical Anthropology of Inclusion, Collaboration and Engagement. American Anthropology Association Annual Meeting, San Francisco, Nov. 19-23.
- 2008 Martin, DL **Invited Paper Presentation**, Biological Effects of Forced Captivity and Slavery in Precolonial Populations. Landscapes of Violence: Conflict and Trauma Through Time. Interdisciplinary Conference, University of Massachusetts, Amherst. April 3-4.
- 2008 Cope*, JM, Martin DL, Miller, D, and Potts, DD. **Paper Presentation**, The Transverse Midtrochlear Ridge: Pathological Response or Morphological Adaptation at the Humeroulnar Joint from Tell Abraq, United Arab Emirates. 77th Annual Meeting of the American Association of Physical Anthropologists, April 9-13, Columbus, Ohio.
- 2008 Thompson, JL, Martin DL and Harry, KG. **Poster Presentation**, Demographic Composition and Health at Pueblo Grande de Navada. 77th Annual Meeting of the American Association of Physical Anthropologists, April 9-13, Columbus, Ohio.
- 2008 Martin, DL. **Invited Paper Presentation**, Patterns of Non-Lethal Head Wounds in the Greater Southwest (AD 900-1350). Society for American Archaeology 72nd Annual Meeting, Vancouver, BC, Canada, March 26-30
- 2008 Nelson, BA, Kinzig, AP, Martin, DL and Anderies, JM. **Invited Paper Presentation A** Demographic Model for the Commemoration of Warriors in a Northern Mexico Ceremonial Center. Annual Meeting, Vancouver, BC, Canada, March 26-30
- 2008 Buikstra, JE, Martin, DL, and Stodder, ALW. **Invited Paper Presentation** Institutionalized Violence, Warriors and Warrior Cults in the Greater Southwest: A Bioarchaeological Perspective. Annual Meeting, Vancouver, BC, Canada, March 26-30
- 2008 Martin, DL **Invited Paper Presentation** Patterns of Mortality and Morbidity in the Commingled Tomb from Tell Abraq. Society for Arabian Studies Biennial Conference "Death, Burial and the Transition to the Afterlife in Arabia and Adjacent Regional, British Museum, November 27-29.
- 2008 Cope*, JM and Martin, DL. **Poster Presentation**, The Transverse Midtrochlear Ridge: Morphological Adaptation or Pathological Response at the Humeroulnar Joint? Experimental Biology Annual Meeting, San Diego, April 7.
- 2007 Martin, DL **Invited Paper Presentation** Not Dead Yet: The Biological Effects of Forced Captivity and slavery in Precolonial Populations. American Anthroological Association Meetings, Washington DC, November.

- 2007 Stone*, PK, Martin DL **Invited Paper Presentation** Ripped Flesh and Torn Souls: Inequality, Gender and Violence in the Ancient Southwest. American Anthropological Association Meetings, Washington DC, November.
- 2007 Martin, DL **Invited Paper Presentation** Archaeologies of Childhood. Culture, Mind, Brain, and Development National Workshop. Albany, NY May.
- 2007 Martin, DL **Book Review** The Deadly Truth: A History of Disease in America. *American Journal of Physical Anthropology* 134 (1):137-138.
- 2007 Martin, DL **Poster Presentation** Skeletal Indicators of Slavery and Violence in the Greater Southwest (AD 800-1500). *American Journal of Physical Anthropology* (Abstract) 132(S44):165. American Association of Physical Anthropology 76th Annual Meeting, Philadelphia, March.
- 2007 Cerullo, M, Martin DL, and Giahi, F. **Poster Presentation** Written on the Bones: Global Transformations, Local Biologies. *American Journal of Physical Anthropology* (Abstract) 132(S44):85. American Association of Physical Anthropology 76th Annual Meeting, Anchorage, Alaska. March 11. Presentation posted at NSF-REU Website.
- 2006 Martin, DL, Cerullo, M, Bido*, J and Colmenares*, J. **Paper Presentation** Calcium Consumption and Bone Density in Factory and Farm Workers in Central Mexico. *American Journal of Physical Anthropology* (Abstract) 129(S42):125-126. American Association of Physical Anthropology 75th Annual Meeting, Anchorage, Alaska, March 11. Presentation posted at NSF-REU Website.
- 2006 Thompson, J., Martin DL, and Harry, KG. **Paper Presentation**. Demographic Composition and Health at Pueblo Grande de Navada, A PII Virgin Anasazi Site. Great Basin Anthropological Association, Las Vegas, Nevada, Oct. 19-22
- 2006 Martin, DL **Paper Presentation**. Ripped flesh and Torn Souls: Evidence for Slavery in the Prehistoric Southwest (AD 800-1500). Foundations of Archaeological Inquiry Conference: Slavery in Middle Range Societies—Implications for Archaeology. Catherine Cameron, Organizer. Snowbird, Utah. Oct. 26-29
- 2005 Martin, DL and Cerullo, M. **Poster Presentation** Feeding the Family in Troubled Times: Diet and Nutrition in Morelos, Mexico in the Age of NAFTA. Pan NSF-REU/AAAS Workshop “Growing Scientists,” September 20-22, Washington, DC.
- 2004 Cope*, JM, Adler, LM, Martin, DL and Potts, DT. **Poster Presentation** Synergistic Musculoskeletal Attachment Sites in the Upper Extremity and Activity Patterns at Tell Abraq, UAE. *American Journal of Physical Anthropology* (Abstracts), American Association of Physical Anthropologists, April 14-17, Tampa, FL.
- 2004 Edwards*, J and Martin DL. **Poster Presentation** Growing Old on Black Mesa: A New Look at Aging in the Past. *American Journal of Physical Anthropology* (Abstracts), American Association of Physical Anthropologists, April 14-17, Tampa, FL.
- 2003 Cooper, CC, Martin, DL and Potts, DT. **Poster Presentation** Occupational Stress in the Tibiae of an Adult Bronze Age Population. *American Journal of Physical Anthropology* (Abstracts) Vol 79. American Association of Physical Anthropologists, 23-26 April, Tempe AZ.

- 2003 Fan, J., Ortner, DJ, Frohlich, B, and Martin DL. **Poster Presentation** Brucellosis in Antiquity: An Analysis of Possible Cases of Brucellar Sacroiliitis. *American Journal of Physical Anthropology* (Abstracts) Vol 79. American Association of Physical Anthropologists, 23-26 April, Tempe AZ.
- 2002 Martin, DL and Perez, V **Presidential Session Organizer and Co-Chair** Mass Graves, Civil Wars, Modern Catastrophes: Anthropologists and the Dead in (Un)imaginable Contexts (with Ventura Perez). American Anthropological Association Annual Meetings, New Orleans.
- 2002 Martin, DL and Perez, V **Paper Presentation** Cannibalism, Witchcraft, Warfare, Sacrifice, and Massacres: Politics as Usual. American Anthropological Association Annual Meetings, New Orleans.
- 2002 Martin DL, Fan J, Sanders M, White R. **Poster Presentation** The Old Ladies of Black Mesa: A 900 Year Chronicle of Diet and Health Recorded in Bone and Teeth. *American Journal of Physical Anthropology* (Abstracts), American Association of Physical Anthropologists. April 10-13, Buffalo, NY
- 2001 Martin DL. **Discussant** "Rape, Rage, Evolution, Science and the Media" Conference: "Culture Goes Public: Anthropologists Speak Back on War, Race, Gender and Globalization" C Besteman and H Gusterson, organizers. October 19-21, MIT Cambridge, MA
- 2001 Martin DL. **Presidential Session Organizer and Chair** Dead Bodies and Violent Acts: Reexamining Perpetrators, Victims and Bystanders. AAA Executive Board Presidential Session. American Anthropological Association. Nov. 20-24, Washington, DC. (Overview of session, by Martin DL and Perez VR in *Anthropology News* November 2001 pgs. 5-6).
- 2001 Martin DL. **Paper Presentation** Food, Women and Violence: An Archaeological Case Study. Food and Feminism Session organized by C Counihan. American Anthropological Association. Nov. 20-24, Washington, DC
- 2000 Martin DL. **Panel Presentation** Feminist Critiques of Anthropological Projects: Reflections on Recent Trends. American Association of Anthropologists, Nov. 15-18, San Francisco, CA
- 2000 Martin DL. **Book Review** Man Corn: Cannibalism and Violence in the Prehistoric American Southwest. *American Antiquity* 65(1): 199-201.
- 2000 Martin DL. **Paper Presentation** Trauma, Occupational Stress and Mortuary Treatment by Sex in the Southwest. Gender and Archaeology Conference. October 6-8, Northern Arizona University, Flagstaff
- 2000 Martin DL, Stone PK, Barr-Dichiara M, Burgdorf S. **Paper Presentation** Strong Women in Marginal Places: Rates of Morbidity and Mortality for Ancestral Pueblo Populations." *American Journal of Physical Anthropology* (Abstract), American Association of Physical Anthropologists. San Antonio, TX
- 2000 Perez V, Martin DL. **Co-Organizer and Chair** Understanding Taphonomic Processes: New Techniques in Bioarchaeology. American Association of Physical Anthropologists. San Antonio, TX

- 1999 Martin DL, Stone PK, Parker N, Margolis M. **Poster Presentation** Paleodemography and Paleopathology of a Bronze Age Skeletal Population from Tell Abraaq, United Arab Emirates. American Association of Physical Anthropology, April 26-10, Columbus, OH
- 1999 Perez V, Martin DL. **Poster Presentation** Cultural Modification of Bone: A Study of Cutmark Morphology, Location, and Orientation on Human Remains from La Quemada. American Association of Physical Anthropology April 26-30, Columbus, OH
- 1999 Martin DL. **Invited Speaker** Violence Against Women in the Ancient Southwest. Bodies of Evidence: Variability in Patterns of Violence on the Colorado Plateau. Arizona State Museum, University of Arizona, Feb. 3, Tucson, AZ
- 1998 Stone P, Perez VR, Martin DL. **Video Review** Science or Sacrilege: Native Americans, Archaeology and the Law. *American Anthropologist* 100(4):1022-1024.
- 1998 Martin DL. **Paper Presentation** Engendering Bioarchaeology: What's a Feminist Projects? American Association of Anthropology December 2-6, Philadelphia PA
- 1998 Martin DL. **Paper Presentation** Health, Equality, Politics and Resources. International Congress of Anthropological and Ethnological Sciences (ICAES). July 26-30, Williamsburg VA
- 1998 Martin DL. **Paper Presentation** A Political-Economic Perspective Applied to Bioarchaeological Research. International Congress of Anthropological and Ethnological Sciences (ICAES). July 26-30, Williamsburg VA
- 1998 Martin DL, Stodder ALW, Goodman AH. **Paper Presentation** The American Southwest: Living on the Edge of Existence. American Association of Physical Anthropology.
- 1997 Martin DL. **Paper Presentation** Biological Indicators of Gender Differentiation and Inequality in the Southwest. Session entitled "Sex Roles and Gender Hierarchies in Southwestern Prehistory" Society for American Archaeology April 2-6. Nashville, TN
- 1997 Savoy LE, Martin DL. **Paper Presentation** Integrating Geology and Ethnoarchaeology to Teach About Human-Environment Interactions on the Colorado Plateau. *Geological Society of America* 29(6):A471.
- 1997 Martin DL. **Paper Presentation** Women's Bodies, Women's Lives: Sexual Division of Labor and Hierarchy in the Precontact Southwest. Symposium, "Sex Roles and Gender in Middle Range Societies: Engendering Southwestern Prehistory." School of American Research Advanced Seminar. March 2-6, Santa Fe, NM
- 1997 Martin DL. **Invited Speaker** The Women Who Came Before Us: Health and Healing in Historical Perspective. Featured speaker, Native Women's History Month, Fort Lewis College, March 23, Durango CO
- 1996 Akins NJ, Martin DL. **Paper Presentation** Owning the Sins of the Past: Historical Trends in the Analysis of Human Remains in the Southwest. Symposium, "Anthropological Dimensions of NAGPR" American Anthropological Association, Nov. 20-24, San Francisco, CA

- 1996 Martin DL, Akins NJ. **Paper Presentation** Reading Bones as Text: Women's Health and Labor in the Ancient Southwest. American Anthropological Association, Nov 20-24. San Francisco, CA
- 1996 Martin DL, Zihlman A. **Co-Organizer and Chair** Symposium, "Physical Anthropologists Examine Women's Bodies." American Anthropological Association, November 20-24, San Francisco, CA 22-25
- 1995 Martin DL. **Paper Presentation** Lives Unlived: The Political Economy of Violence Against Anasazi Women. Society for American Archaeology, May 3-5, Minneapolis, MN
- 1995 Martin DL. **Organizer and Chair** Symposium, "Women's Bodies, Women's Lives: Biological Indicators of Labor and Occupation." American Association of Physical Anthropologists, *American Journal of Physical Anthropology* (Abstract) Supl. 20: 31. March 28-April 1, Oakland, CA
- 1995 Wesson AL, Martin DL. **Paper Presentation** Women Carried Heavy Loads While Men Were Weaving: Precontact Sexual Division of Labor at Black Mesa, Arizona. *American Journal of Physical Anthropology* (Abstract) Supl. 20: 220. American Association of Physical Anthropology. March 28-April 1, Oakland, CA
- 1995 Martin DL, Akins NJ. **Poster Presentation** A Case of Metastatic Carcinoma from the La Plata Valley, New Mexico. Paleopathology Association, March 28, Oakland CA
- 1994 Martin DL. **Paper Presentation** Adaptation to Arid Environments: Paleopathology in the Arabian Peninsula. Arabian Seminar, Oxford University. July 25-28, Oxford, England
- 1994 Martin DL, Akins NJ **Paper Presentation** Exploring Patterns of Violence Against Women in the Prehistoric Southwest. Southwest Symposium, Arizona State University. January 7-8, Tempe, AZ
- 1994 Martin DL, Frayer D. **Co-Organizer and Chair** Symposium, Crime and Punishment: Violence in Past Societies. American Association of Anthropologists, Nov. 19-13, Washington, DC
- 1994 Martin DL. **Paper Presentation** The Political Economy of Violence Against Women in Prehistory. American Association of Physical Anthropologists. *American Journal of Physical Anthropology* (Abstract) Supl. 18: 137-138. April 1-4, Denver, CO
- 1993 Martin DL, Cameron C. **Co-Organizer and Chair** Presidential Symposium "Collaborative Approaches to Understanding the Past." Plenary Session, American Association of Anthropology. Dec. 2-5, Washington, DC
- 1993 Martin DL. **Paper Presentation** Health Profile for the La Plata Highway Skeletal Remains. Southwest Symposium. October 21-24, Farmington, NM
- 1993 Goodman AH, Martin DL. **Paper Presentation** The Biological Consequences of Inequality in Prehistory. ICAES Meetings. July 15-18, Mexico City, Mexico
- 1992 Martin DL. **Paper Presentation** Political-Economic Perspectives on Skeletal Biology and the American Southwest. Wenner-Gren Conference, "Political-Economic Perspectives in Biological Anthropology" Goodman AH, Leatherman TH, organizers. Nov. 2-5, Cabo San Lucas, Baja California, Mexico

- 1992 Martin DL, Nelson BA, Swedlund AC, Armelagos, GJ. **Paper Presentation** Demography and Health in the American Southwest. *American Journal of Physical Anthropology* (Abstract) Supl. 14:117-118.
- 1991 Martin DL, Seefeldt WD. **Poster Presentation** Prehistoric Obstetrics: Why Anasazi Women Die Young on Black Mesa, Arizona (AD 800-1150). American Association of Physical Anthropologists. *American Journal of Physical Anthropology* (Abstract) Supl. 12:125-126. April 2-6, Milwaukee, MN
- 1991 Goodman AH, Martin DL. **Paper Presentation** Nutrition and Health Consequences of Prehistoric Economic and Political Centralization in North America. American Association for the Advancement of Science. Feb. 23-25, Washington, DC
- 1990 Martin DL. **Paper Presentation** Demography and Health in the Prehistoric Southwest. Conference, "Understanding Complexity in the Prehistoric Southwest." Santa Fe Institute, October 1-5, Santa Fe, NM
- 1990 Martin DL. **Paper Presentation** Women and Children: Subgroups at Risk in the Transition to Agriculture. 6th Conference on Hunting and Gathering Societies, University of Alaska. May 27-June 1, Fairbanks, AK

Grants and Awards

- Submitted Belén Plaza Vieja Preservation Project: Excavation, Preservation, and Conservation of a Historic Genízaro Community Wenner Gren [\$20,000 submitted 2018]
- Submitted Harry Frank Guggenheim Violence Studies Grant [\$60,000 submitted 2018]
- Submitted National Institute of Health-R03 Firearm Violence in Southern Nevada (1966-2016): Contextualized Victim Profiles and Improved Prevention and Intervention [\$50,000 submitted 2017]
- 2018 Wenner-Gren Foundation for Anthropological Research Award. "Contextualizing Massacres in Small Scale Societies" [GR#58552 \$9615].
- 2017 Belén Plaza Vieja Preservation Project. College of Liberal Arts Dean's Award. [\$6000]
- 2009 Wenner-Gren Foundation for Anthropological Research Award. "Bioarchaeological Signatures of Slavery in the Pre-Colonial Greater Southwest (AD 900-1400)" [GR# 7626 \$19,133].
- 2008 Heinz Latin American Archaeology Award, "Bioarchaeology of Violence at Casas Grandes, Chihuahua, Mexico." [\$9647]
- 2006 United Arab Emirates University Award, "Creating an Interdisciplinary First Year Curriculum" with co-PIs A. Berman and L. Edwards [\$120,000.]
- 2006 NSF-Research Experience for Undergraduates, "Feeding the Family in Troubled Times: A Biocultural Study of Patterns of Work, Consumption and Nutrition at the Household Level in Three Communities in Central Mexico" (co-PI with Margaret Cerullo) [#SES 0354037 Supplement \$6,500]
- 2006 NSF, National Workshop on "Research and Undergraduate Education at the Intersections of Culture, Mind, Brain and Development" with co-PIs N. Stillings and B. Yngvesson. [\$47,000]

- 2004-2007 NSF-Research Experience for Undergraduates, "Feeding the Family in Troubled Times: A Biocultural Study of Patterns of Work, Consumption and Nutrition at the Household Level in Three Communities in Central Mexico" (co-PI with Margaret Cerullo) [#SES 0354037 \$375,000]
- 2003 Hampshire College Culture, Brain and Development Program instrumentation award, Osteology-Trauma Laboratory enhancement, Foundation for Psycho-Cultural Research [\$38,000]
- 2003 Wenner-Gren Award "Violence Against Women: Non-Lethal Head Injury and its Behavioral and Cultural Implications in Ancestral Pueblo Populations" (900-1300 AD) [GR#6981 \$24,989]
- 2001 Hampshire College Undergraduate Biological Sciences Education Program Grant, Howard Hughes Medical Institute Advanced Course Award "Advanced Skeletal Biology: Research on Diet and Health" [HHMI #71100-503803 \$8804]
- 2000 Hampshire College Undergraduate Biological Sciences Education Program Grant, Howard Hughes Medical Institute Grant for Field Research "Diet and Bone Density in Elder Hopi Women" Summer [HHMI #71100-503803 \$8500]
- 2000 Hampshire College Sherman Fairchild Instrumentation Grant – Peripheral Instantaneous X-ray Imager (PIXY) Bone Densitometer (PIXY) [\$35,000]
- 1999 NSF-Collaborative Research at Undergraduate Institutions "Teeth as Chemical Records of Chronological Changes" Co-PI with A Goodman, J Reid and D Amarasiriwardena [NSF-CRUI 99-78793 \$827,197]
- 1998 Wenner-Gren Award "Institutionalized Violence at La Quemada, Zacatecas, Mexico" [\$15,000]
- 1996 Hampshire College-MacArthur Program Development Award, "Southwest Field Studies Program" [\$80,000]
- 1995 Lemelson National Program in Invention, Innovation and Creativity Award. "The Human Skeleton: Innovation in Analysis." [\$10,000]
- 1995 Mesa Verde National Park, Subcontract for Osteological Analyses and NAGPRA Compliance and Consultation [\$60,371]
- 1995 Wenner-Gren Foundation for Anthropological Research. Bioarchaeological Investigations at Mowaihat, Emirate of Ajman, United Arab Emirates [\$11,000]
- 1994 Hampshire College Lemelson Program for Innovative Research. Course development, "Advanced Skeletal Biology" [\$2378]
- 1994 Hampshire College Hewlett-Mellon Curriculum Development. New course development, "Diseases in Antiquity" [\$1380]
- 1993 La Plata Highway Contract, Analysis of the La Plata Highway Human Remains, State of New Mexico, Office of Cultural Affairs, Office of Archaeological Studies [\$10,500]
- 1993 Wenner-Gren Foundation for Anthropological Research. Bioarchaeological Investigations at Jebel al Emalah, Emirate of Sharjah, United Arab Emirates [\$11,500]
- 1993 Five Colleges, Inc. American Indian Studies Curriculum Development. American Indian Health: 1492- 1992 [\$1500]

- 1993 Hampshire College Comparative Scientific Traditions/Ford Foundation Curriculum Development. Year- long course on Native American Health [\$2200]
- 1993 Participant, NSF Project, "History of Disease in the Western Hemisphere." The American Southwest [\$5000]
- 1992 Howard Hughes Medical Institute Undergraduate Research Award. Biochemical and Histological Analyses of Human Rib [\$9000]
- 1992 Northern Arizona University/National Park Service Research Grant. Skeletal Analysis of the Ridges Basin, Colorado, Anasazi Skeletal Remains [\$16,000]
- 1992 Participant, NSF Science Education for Minority Middle School Children. Human Anatomy Course [\$4000]
- 1991 School of American Research Fellowship, Weatherhead Scholar [\$30,000]
- 1990 Hampshire College Award for Third World Research. Research in the Southwest (with B. Yngvesson) [\$1600]
