Professional Employment

2014-present Professor, Department of Anthropology, University of Nevada Las Vegas
2007-2014 Associate Professor, Department of Anthropology, University of Nevada Las Vegas
2001-2007 Assistant Professor, Department of Anthropology, University of Nevada Las Vegas
1997-2001 Director of Cultural Resources, Texas Parks and Wildlife Department, Austin
1997 Adjunct Faculty, Pima Community College, Tucson
1990-1996 Project Director, Statistical Research, Inc., Tucson

Education

1997 Ph.D., University of Arizona, Department of Anthropology, University of Arizona
1987 M.A., Anthropology, University of Arizona
1982 B.A., Anthropology, Texas A&M University, cum laude

Research Interests

Southwestern archaeology; ceramic analysis, sourcing, and technology; organization of craft production; trade and exchange issues; chemical compositional analysis; prehistoric leadership strategies; prehistoric community organization

Ongoing Field Projects

Field Research on the Parashant National Monument: I am involved in a long-term archaeological research project concerning the Puebloan occupation of the Mt. Dellenbaugh area of the Shivwits Plateau, located within Parashant National Monument.

Field and Archival Research in the Lower Moapa Valley: A second area of ongoing research involves the Puebloan occupation of the lower Moapa Valley of southern Nevada. I have recently completed an archival study of the artifacts and records associated with the early (1920s-1940s) field research of this area, and have on-going field investigations in the area.
