APP DEVELOPER

Posting ID: EM19504589

Company Website: http://www.therebelhd2.com

Company: 91.5 The Rebel HD2 KUNV

Work Location: Campus and Home

Position Type: Project

Salary: The position is $300/negotiable paid half upfront and at the completion of the project.

College Major(s): Computer Science (CS)

College Level(s): Undergraduate-Freshman, Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior, Graduate Student, PhD. Student

OVERVIEW

We are the student radio station of UNLV and we need a new app to be able to stream our content. The app will include a way to live stream the station, a page for the schedule, and a “now playing” section where the listeners can see what show is on, the host, and an about section for the show. We also need to include a schedule, what show is on, with a photo of the host or show logo.

Roles and Responsibilities
To work with the president of the station and other E-Board members to create the app

Education and Qualifications
Must be familiar with X-Code, JAVA Programming, and Coding. Must be a UNLV student.

How to Apply
Send Resume to therebelhd2@unlv.edu
