Company Website: https://www.lvvwd.com/jobs/jobs.html

Company: LVVWD

Work Location: S 1001 Valley View Blvd, Las Vegas, NV, 89153

Position Type: Part-Time

Salary: 14/hr

College Major(s): Electrical/Computer Engineering (EE/CpE), Computer Science (CS)

College Level(s): Undergraduate-Freshman, Undergraduate-Sophomore, Undergraduate-Junior, Undergraduate-Senior

OVERVIEW

The Las Vegas Valley Water District is a not-for-profit agency that began providing water to the Las Vegas Valley in 1954. The district helped build the city's water delivery system and now provides water to more than one million people in Southern Nevada. The Water District also acts as the managing agency for the Water Authority.

Roles and Responsibilities

HOURS OF WORK: Up to 25 Hours Mon.-Th, 7am-6pm

FILING DEADLINE: Position may close prior to, or be extended beyond, the posted deadline depending upon THE APPLICANT pool; therefore, APPLICANTS are encouraged to apply as soon as possible.

INTRODUCTION: Human Resources will screen applications and materials requested in supplemental questionnaire. Candidates meeting the eligibility requirements will be forwarded to the hiring department for further review and to determine who will be interviewed. The successful candidate will be required to pass a drug screen and background check.

GENERAL PURPOSE: This position will assist the IT department to create web applications and web services; use Oracle or Microsoft SQL Server databases to store and retrieve data using SQL, PL/SQL and T-SQL; author and maintain automated and manual unit tests to ensure the validity of the code written, and work with business analysts to generate and maintain test data.

The ideal candidate for this position will able to develop applications in C# and/or Java programming languages; have familiarity with Visual Studio and/or Eclipse IDEs; and be knowledgeable of the following languages, techniques, and methodologies: SQL (Microsoft SQL Server and Oracle), JavaScript, HTML5, responsive web design, DevOps, Test Driven Development.
Education and Qualifications

ELIGIBILITY REQUIREMENTS: Current enrollment within an undergraduate degree program related to Computer Science, Computer Engineering, Management Information Systems, or other IT related majors.
- Current enrollment with a minimum of 9 credit hours per semester.
- Available to work up to twenty-five hours per week Monday through Thursday.
- A Valid Driver’s license.
- US citizenship or legal right to work in the US, including authorization to work off campus.

How to Apply
All interested parties should send a copy of their transcript, cover letter, and resume to Sara Danielson at sara.danielson@lvwvd.com.
