JUNIOR FRONT-END WEB DEVELOPER

Posting ID: E080316

Company Website: https://www.wayup.com

Company: Applied Imagination

Work Location: Norcross, GA

Position Type: Full-Time

Salary:

College Major(s): Computer Science

College Level(s): Undergraduate-Senior

OVERVIEW

Applied Imagination is a web consulting, design, and development firm based in Atlanta, Georgia. We are a team of innovative and creative thinkers who build amazing things. Our clients ask us to translate complex ideas into simple solutions that make life better and grow businesses. Founded out of a love of building, each one of us is passionate creating great digital technology.

Roles and Responsibilities
We're looking for someone with at least 3 years of experience in web development who lives and breathes HTML and CSS. You should have at least some familiarity with PHP.

You'll be writing plenty of code and learning new techniques along the way. If you'd like to contribute to some cool projects where you will be a large contributor to the team, this is the place for you!

Education and Qualifications
- At least 3 years of experience working with HTML, CSS, JavaScript, and jQuery.
- At least 1 year of experience working with PHP.
- Drive to learn in a fast-paced, startup environment.
