UNLV Outdoor Adventures Rental Policies and Terms of Acceptance

Reservations and Payment

All payments for rental equipment must be paid via credit card, **NO CASH**. Government issued ID, RebelCard or Student Recreation and Wellness Center (SRWC) Member Card must be presented at time of reservation/ pick-up/ drop-off. The person who reserved and paid for the equipment is the only person allowed to pick up the equipment. Equipment items are **ONLY** reserved once payment in full has been received. Rental equipment is available to anyone 18 and over with valid ID.

Credit Card Authorizaton

I hereby authorize Campus Recreational Services (CRS) at The University of Nevada, Las Vegas to charge the sum of my rental transaction to my credit card for the purpose of Outdoor Rental Equipment. I understand that a CRS staff member will contact me to complete the payment over the phone. I understand that the name of my credit card used must match the name of my Government Issued ID. I must show this ID upon picking up the equipment. I am the only one approved to pick up my equipment.

I understand that any unpaid late, damaged or lost item fees of rental equipment will automatically be charged to the credit card on file.

Responsibility

It is my duty to return all gear clean (not full of dirt) and dry (not wet or damp). A cleaning fee will be charged at a rate of \$10/ hour until the item is back to the original rental condition.

Outdoor Adventures (OA) is aware of normal wear that comes with rental usage; however, we also know the gear we carry lasts for years. Rips and tears, stains, missing parts, burn holes, dents, etc. are things we charge for. Damaged, not returned or lost equipment will be assessed at the current retail prices for replacement. Repairs will be charged at a rate of \$10/ hour + the cost of any materials needed to repair the equipment.

Returns

All rented items must be returned when the facility is open. Facility hours can be found at: www.unlv.edu/srwc/hours

Canoes **MUST** be picked up and returned by appointment only; Monday through Friday. All other equipment can be picked up and returned at the front desk of the SRWC. If customers with canoe returns miss their original return time, they must work with the OA staff to schedule a new drop off time. Return of rental equipment items generally requires 15-30 minutes to check gear in and provide an initial inspection. There will be a secondary thorough inspection done by our OA staff within 1-3 business days. Any damage, cleaning or late return fees will be charged during that time.

Late/ Damaged/ Lost Equipment Rental Fees

A rental item is considered late if you do not return the item on the due date according to the reservation. Late fees are double the daily rate for every day the item is considered late. If you think you will be late, please contact the OA office to discuss the possibility of extending the rental. We do not waive late fees, as late items directly affects our other outgoing rental reservations. Items more than one week overdue will be considered lost and you will be charged for the retail replacement cost of the item.
