

Scheduling an Appointment Through Campus Connect

Online scheduling is available for various units on campus, including academic advising, career services, the Writing Center through Campus Connect. No separate login is required, as access to Campus Connect is available through the Resources tile located in MyUNLV.

Simply select Campus Connect from the left navigation panel and click "Campus Connect Login". The system will automatically identify you based on your login to MyUNLV.

From here, you will be able to select "Schedule an Appointment" and follow the prompts.
