- T-grip for control and ease
- High impact ABS plastic blade
- Polyethylene sheathing for comfort

Specifications

- Grip: T-grip
- Blade Size: 8" x 20"
- Blade Material: High-impact polypropylene

- Shaft Material: fully clad aluminum
- Blade shape: symmetrical
- Weight: 34oz

Reviews*

“The Carlisle "Standard" paddles are pretty much indestructible, trust me if anyone can find a product weakness the Boy Scouts will deliver. These paddles held up and look great. Bright colors are also easy to find when left in the tall grass or dropped in the river.”

“This is a great paddle for everyone. It is a bit heavy but very strong, don't worry about pushing off the banks or rocks with this one.”
