Canoe Trailer

General Description
This canoe trailer can hold up to 8 canoes, and must be rented along with canoes unless the patron renting the canoes already has a trailer. The Outdoor Adventures Staff will help secure canoes on trailer as well as assist in attaching the trailer to the towing vehicle using a 1 ¾” ball mount hitch. The hitch is
available to rent as a separate item. If the patron already has the correct size hitch, that can be used instead of the Outdoor Adventures hitch.

**Specifications**

- Holds 8 canoes
- Canoe bed has space to hold paddles and life vests
- 4-contact, 4-wire hookup

**Instructions for Renting Trailer and Loading Canoes**

A time will be arranged for the Outdoor Adventure Staff and patron to meet at the SRWC facility before driving to the on-campus location of the canoes. The staff and patron will load the necessary number of canoes onto the trailer, and the Outdoor Adventures department will provide the securing straps for the canoes. The staff will assist patron in attaching the trailer to the hitch.
