Q4. If my work phone number and mailstop have changed and are wrong in the online locator, “who do I call to correct it?”
A4. Employee directory data (screen 19, work phone and mailstop) comes from Archibus Web Central, you should refer to your departments’ ‘Archibus employee manager’ to have the data corrected there. As soon as the data is corrected it will be updated into the online locator over the next 24 hour window.

Q5. What should I do if my name is incorrect in the directory, or if I want it to be my business or working name?
A5. You should use the ESS (EQUUS) self-service tool online to enter a nickname you would rather have displayed in the online locator. A link to EQUUS is provided below:

http://www.unlv.edu/hr/employeeinfo/equus

Q6. What does I do if my title is incorrect in the directory?
A6. The “title” in the online locator, which is also known as the working title or the position title, comes from a budgeting software known as Hyperion administered by the Budget department. A13. A new I-9 would be completed if the returning employee has been terminated in the Payroll system. Section 3 is basically reaffirming the information previously entered. If an employee has an existing I-9 in the I-9 Management System and has been separated from the university for less than six months, Section 3 of the I-9 needs to be completed using the Rehire field. If the original Form I-9 has subsequently been revised, a new Form I-9 (Section 1 & 2) may need to be completed. The I-9 Management System will advise if the current form is no longer viable. If the Form I-9 has been revised, a new Form I-9 (Section 1 & 2) may need to be completed. If the employee is on an F-1 or J-1 visa status and the work eligibility has expired, Section 3 will need to be re-verified or a new Form I-9 completed.

Q1. What can you tell me about grade and step increases?
A1. Classified employees are given raises based on grade and step. Grades and step amounts are outlined in the classified employee schedule. Longevity pay is no longer paid. Merit or step increases are paid to employees on the following pay period from when the award was made.

E.g. If an employee is eligible for a step increase on 11/28, that increase will be included in the paycheck for 12/10 or may be paid retro on the next paycheck. Exceptions to step increases: on LWOP, Annual Review with “Does Not Meet Standards”, or if the employee is maxed at Step 10.

EMPLOYMENT OF INTERNATIONAL STUDENTS

Q1. Are international students allowed to work without a federally issued work permit?
A1. International students may be permitted to work, much depends on their visa status. Students with an F1 visa may work in any student capacity, whereas students with a J1 visa may only work specifically in the field in which they are studying. Both F1 and J1 PAFs must be accompanied with a campus work permit letter from the Office of International Students and Scholars. This letter may further restrict the type and timeline the student is able to work.

LETTER OF APPOINTMENT (LOA)

Q1. What important things should I know about LOAs, LOBs, LORs, and OVLs?
A1. There are many types of Letter of Appointments, such as: Letter of Appointment (LOA), Letter of Appointment with Benefits (LOBs) and LOR (Letter of Retirement) Letter of Appointment Overload, Letter of Appointment – Hourly.
   i) LOA Salaried – Instruction, not for credit
   ii) LOA Salaried – Instruction (PTI), for credit

Not for credit and for credit literally mean, does the LOA teach, supervise, oversee a class that students take and receive college credit
Someone is an LOA if the appointment is less than 60 consecutive days, can be at any FTE (Full-time employment) percentage OR less than 50% FTE and more than 60 consecutive days but LESS than 12 months.

Q2. How do LOAs, LOBs, and LORs differ from each other?
A2. The main differences between LOAs, LOBs, and LORs is the period that they are allowed to work for, and the benefits that they are entitled to.

LOB – Letter of Appointment with Benefits: 100% > FTE ≥ 50%
12 months > Employment > 60 days

LOR – Letter of Appointment Retirement FTE ≥ 50%

LOA - Letter of Appointment – Less than 60 consecutive days.
LOA - Letter of Appointment – Less than 50% FTE and more than 60 days, but less than 12 months.

LOB – Letter of Appointment with Benefits – Greater than or equal to 50% FTE, less than 100% FTE and more that 60 days, but less than 12 months.

LOR – Letter of Appointment Retirement eligible earnings for “B” contract Summer Salary earnings at 50% or more FTE or 8 more credits for the summer.

OVL – Letter of Appointment for Faculty/Staff
This is for additional work during their obligation year appointment, for employees already under contract. An Extra-Contractual/ Supplementary Compensation Form (ECC) is required.
** Extra-Contractual/Supplementary Compensation Form (if appropriate per policy for A or B Faculty) – Compensation paid to an employee is considered “extra contractual” if it is:
   i) Paid for services rendered during the base salary period;
   ii) Is payment in excess of the employee’s stipulated salary;
   iii) Is paid in connection with approved “additional responsibilities or assignment,” and
iv) Is paid from funds administered by the university

FTE % is cumulative

Example: An employee with an LOA FTE of 20% and an LOA FTE of 30% would now be considered an LOB (Letter of Appointment with Benefits) because FTE greater than or equal to 50%.

It is the responsibility of the department implementing the additional LOA FTE to notify HR and reclassify the earnings code. If an LOA is renewed but with more money and the job functions have not changed to justify the pay change HR will question the LOA pay increase.

CLEARANCE – WHEN EMPLOYEES LEAVE/SEPARATE FROM THE UNIVERSITY

Q1. What must I do if I want to resign my employment?
A1. Submit a letter of resignation which must be acknowledged by the university. UNLV’s Human Resources department will send out notice to some specific university departments (OIT, Cashier, Parking, etc.) to make sure there are no unpaid fines and to cancel your access. You should also schedule a clearance interview with HR

Q2. I am retiring from UNLV, is there anything in particular that I must do for benefits?
A2. Retired faculty, 65 years or older should sign up for Medicare because they cannot be a member of the Public Employee’s Benefit Plan insurance group. Employees may continue on UNLV insurance coverage but at a cost, that cost is determined by coverage required and the number of years of service that the employer has had.

Note: If an employee switches from ‘A’ to ‘B’ contract they need to complete a clearance certification.
